*Editorial Cartoons* engages with close to one thousand editorial cartoons to analyze the visual representations of President Donald Trump and his responses to six news events during his term in office Natalia Mielczarek traces the mechanisms through which the drawings construct the president's image and their potential rhetorical consequences for interpretation Through this analysis Mielczarek argues that the right leaning cartoons largely erase the president's likeness from their plotlines acting as a shield against accountability for Trump Left leaning cartoons on the other hand tend to clone the president and exaggerate his image in most of their stories often functioning as tools of symbolic censure and punishment Through these de and re contextualization tactics that make President Trump either largely absent or hyper present in the narrative the cartoons construct inadvertent rhetorical paradoxes and coalesce around ideological heroes and villains This result Mielczarek posits more closely resembles partisan propaganda rather than political commentary and social critique Scholars of communication political science and media studies will find this book of particular interest      **Best Editorial**

**Cartoons 2012** Charles Brooks,2011-12-06 Comic journalism at its best In 2011 we said farewell to Elizabeth Taylor and Betty Ford and good riddance to Osama bin Ladin The ever waning reputation of Pres Barack Obama prompted Rick Perry Newt Gingrich and Donald Trump to put in their bids for the presidential election While gas prices and the national debt rose higher than the possibility of sending another manned craft into space the scandalous Casey Anthony trial resurfaced memories of O J and Nicole Simpson The latest annual edition of this collection contains these and many other controversial

comments referencing politics the economy sports foreign affairs government and pop culture      *Political Caricatures on Global Issues* Heinz-Dietrich Fischer, 2012 A latecomer within the prestigious award system the Pulitzer Prize for Editorial Cartooning began in 1922 That was five years after the establishment of the other Pulitzer Prizes This book analyzes and documents the fascinating history of the cartoon awards up to 2012 The annual juror selection processes are explained on the basis of the jury reports Each award winner is portrayed in a biographical sketch together with a reprint of one of his cartoons Series Pulitzer Prize Panorama Vol 4      **Red Lines** Cherian George, Sonny Liew, 2021-08-31 A lively graphic narrative reports on censorship of political cartoons around the world featuring interviews with censored cartoonists from Pittsburgh to Beijing Why do the powerful feel so threatened by political cartoons Cartoons don't tell secrets or move markets Yet as Cherian George and Sonny Liew show us in *Red Lines* cartoonists have been harassed trolled sued fired jailed attacked and assassinated for their insolence The robustness of political cartooning one of the most elemental forms of political speech says something about the health of democracy In a lively graphic narrative illustrated by Liew himself a prize winning cartoonist *Red Lines* crisscrosses the globe to feel the pulse of a vocation under attack A Syrian cartoonist insults the president and has his hands broken by goons An Indian cartoonist stands up to misogyny and receives rape threats An Israeli artist finds his antiracist works censored by social media algorithms And the New York Times caught in the crossfire of the culture wars decides to stop publishing editorial cartoons completely *Red Lines* studies thin skinned tyrants the invisible hand of market censorship and demands in the name of social justice to rein in the right to offend It includes interviews with more than sixty cartoonists and insights from art historians legal scholars and political scientists all presented in graphic form This engaging account makes it clear that cartoon censorship doesn't just matter to cartoonists and their fans When the red lines are misapplied all citizens are potential victims
