## **Edmund Wilson A Life In Literature:**

Edmund Wilson Lewis M. Dabney, 2005-08-03 From the Jazz Age through the McCarthy era Edmund Wilson 1895 1972 stood at the center of the American cultural scene In his own youth a crucial champion of the young Ernest Hemingway and F Scott Fitzgerald Wilson went on to write three classics of literary and intellectual history *Axel's Castle* *To the Finland Station* and *Patriotic Gore* searching reportage and criticism that has outlasted many of its subjects Wilson documented his unruly private life a formative love affair with Edna St Vincent Millay a tempestuous marriage to Mary McCarthy and volatile friendships with Fitzgerald and Vladimir Nabokov among others in openly erotic fiction and journals but Lewis Dabney is the first writer to integrate the life and work Dabney traces the critic's intellectual development from son of small town New Jersey gentry to America's last great renaissance man a deep commentator on everything from the Russian classics to Native American rituals to the Dead Sea Scrolls Along the way Dabney shows why Wilson was and has remained in his cosmopolitanism and trenchant nonconformity a model for young writers and intellectuals as well as the favorite critic of the general reader Edmund Wilson will be recognized as the lasting biography of this brilliant man whose life reflected so much of the cultural social and human experience of a turbulent century *Edmund Wilson* Lewis M. Dabney, 1997 Edmund Wilson who helped shape American literary culture from the early 1920s through the mid 60s is still a presence a century after his birth This vibrant collection emerges from symposiums in Wilson's centenary year 1995 at the Mercantile Library in New York and at Princeton University Assembled and edited by Lewis Dabney the book shows the intellectual voices of a younger generation interacting with veterans who knew Wilson and his times Edmund Wilson, the Man in Letters Edmund Wilson, 2001 Here for the first time in print is Wilson's personal correspondence to his parents lovers and wives children literary comrades and friends from the different corners of his life Various writers and thinkers including Lionel Trilling Cyril Connolly and Isaiah Berlin take their places alongside upstate New York neighbors in this gallery of letters that extends from the teens to the early 1970s These letters complete the picture of Wilson the man offering unguarded moments and flinty opinions that enrich our understanding of a complex and troubled personality Four times married and many times in love traveling through Depression America the USSR postwar Europe the Middle East and Haiti and writing on a Balzacian scale Wilson as a correspondent reveals the exhilaration and chaos of being himself *Edmund Wilson's America* George H. Douglas, 2021-11-21 When Edmund Wilson died in 1972 he was widely acclaimed as one of America's great literary critics But it was often forgotten by many of his admirers that he was also a brilliant and penetrating critic of American life In a literary career spanning half a century Wilson commented on nearly every aspect of the American experience and he produced a body of work on the subject that rivals those of Tocqueville and Henry Adams In this book George H Douglas has distilled the essence from Wilson's many writings on America An active reporter and journalist as much as a scholar Wilson ranged from Harding to Nixon from bathtub gin to marijuana Douglas here surveys Wilson's mordant observations on the

roaring twenties the Great Depression income tax suburbia sex populist politics the Vietnam War the Great Society the failure of American scholarship pollution of the landscape and the breakdown of traditional American values The Wilson who emerges from this survey is a historical writer with deep and unshakable roots in Jeffersonian democracy Among his most far seeing and poignant books are studies of the literature of the American Civil War and of the treatment of the American Indian Pained by the crumbling moral order Wilson was never completely at home in the twentieth century In politics he was neither a liberal nor a conservative as those terms are understood today He endured those ideologies and their adherents but his genius was that he could bring them into hard focus from the perspective of the traditional American individualist who was too pained to accept the standardized commercial world that had grown up around him Edmund Wilson's America offers a distinctive overview of the nation's life and culture as seen and judged by its leading man of letters **Piece of My Mind** Edmund Wilson, 1999-12 From the author of *To the Finland Station* comes a deeply personal and incisive memoir *A Piece of My Mind* Edmund Wilson often considered to be the greatest American literary critic of the twentieth century reflects back on life in his sixth decade with this insightful intellectual autobiography that covers topics ranging from Religion War the USA Europe Russia Jews Education Science Sex and much more all examined with his characteristic wit and intelligence

*Love and Russian Literature* Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 *Love and Russian Literature* casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism *The Secret History of Vladimir Nabokov* Andrea Pitzer, 2021-11-15 A startling and revelatory examination of Nabokov's life and works notably *Pale Fire* and *Lolita* bringing new insight into one of the twentieth century's most enigmatic authors Vladimir Nabokov witnessed the horrors of his century escaping Revolutionary Russia then Germany under Hitler and fled France with his Jewish wife and son just weeks before Paris fell to the Nazis He repeatedly faced accusations of turning a blind eye to human suffering to write artful tales of depravity But does one of the greatest writers in the English language really deserve the label of amoral aesthete bestowed on him by so many critics Using information from newly declassified intelligence files and recovered military history Pitzer argues that far from being a proponent of art for art's sake Nabokov managed to hide disturbing history in his fiction history that has gone unnoticed for decades Nabokov emerges as a kind of documentary conjurer spending decades of his career recording a saga of forgotten concentration camps and searing bigotry from WWI to the Gulag and the Holocaust *Lolita* surrenders Humbert Humbert's secret identity and reveals a Nabokov appalled by American anti-Semitism The lunatic narrator of *Pale Fire* recalls Russian

tragedies that once haunted the world From Tsarist courts to Nazi film sets from the CIA to wartime Casablanca the story of Nabokov s family is the story of his century and both are woven inextricably into his fiction **F. Scott Fitzgerald and the American Scene** Ronald Berman,2017-08-22 A study of the philosophical intellectual and political influences on the artistic creations of Fitzgerald and key early American modernist writers **Humanities** ,2008 Shaping a Humane World Oliver Kozlarek,Univ. Prof. Dr. Dr.h.c.mult.,Ernst Wolff,2014-03-15 The generation of meaning is the primary precondition for acting and thinking The essays in this volume contribute to a discourse on this matter with a decentred globalized world in mind The notions civilization humanism and modernity far from being exclusively Western ideas may facilitate joint efforts of reflecting on the universality of current human conditions particularly since such reflexion is possible from particular cultural perspectives Modernity presents us with a second Axial Time in which the quest for a plural but shared humane world is the challenge **American Oracle** David W. Blight,2013-10-07 David Blight takes his readers back to the Civil War s centennial celebration to determine how Americans made sense of the suffering loss and liberation a century earlier He shows how four of America s most incisive writers Robert Penn Warren Bruce Catton Edmund Wilson and James Baldwin explored the gulf between remembrance and reality *The 20th Century O-Z* Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography *The New Era* Paul V. Murphy,2011-12-22 In the 1920s Americans talked of their times as modern which is to say fundamentally different in pace and texture from what went before a new era With the end of World War I an array of dizzying inventions and trends pushed American society from the Victorian era into modernity The New Era provides a history of American thought and culture in the 1920s through the eyes of American intellectuals determined to move beyond an older role as gatekeepers of cultural respectability and become tribunes of openness experimentation and tolerance instead Recognizing the gap between themselves and the mainstream public younger critics alternated between expressions of disgust at American conformity and optimistic pronouncements of cultural reconstruction The book tracks the emergence of a new generation of intellectuals who made culture the essential terrain of social and political action and who framed a new set of arguments and debates over women s roles sex mass culture the national character ethnic identity race democracy religion and values that would define American public life for fifty years **1,000 Books to Read Before You Die** James Mustich,2018-10-02 The ultimate literary bucket list THE WASHINGTON POST Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that s as compulsively readable entertaining surprising and

enlightening as the 1 000 plus titles it recommends Covering fiction poetry science and science fiction memoir travel writing biography children s books history and more 1 000 Books to Read Before You Die ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation You have to read this But it s not a proscriptive list of the great works rather it s a celebration of the glorious mosaic that is our literary heritage Flip it open to any page and be transfixed by a fresh take on a very favorite book Or come across a title you always meant to read and never got around to Or like browsing in the best kind of bookshop stumble on a completely unknown author and work and feel that tingle of discovery There are classics of course and unexpected treasures too Lists to help pick and choose like Offbeat Escapes or A Long Climb but What a View And its alphabetical arrangement by author assures that surprises await on almost every turn of the page with Cormac McCarthy and The Road next to Robert McCloskey and Make Way for Ducklings Alice Walker next to Izaak Walton There are nuts and bolts too best editions to read other books by the author if you like this you ll like that recommendations and an interesting endnote of adaptations where appropriate Add it all up and in fact there are more than six thousand titles by nearly four thousand authors mentioned a life changing list for a lifetime of reading 948 pages later you still want more THE WASHINGTON POST *Edmund Wilson* Jeffrey Meyers,2003-09-02 This comprehensive biography of prolific critic essayist historian and novelist Edmund Wilson 1895-1972 posits quite successfully that the subject lived a life as romantic and chaotic as his friend F Scott Fitzgerald s Wilson suffered a nervous breakdown and the tragic death of his second wife he was married four times among them Mary McCarthy had affairs with numerous beautiful women including Edna St Vincent Millay and was friend to literary giants such as John Dos Passos Vladimir Nabakov and W H Auden **The Public Life of Privacy in Nineteenth-Century American Literature** Stacey Margolis,2005-05-13 Challenges the familiar way of reading a major strain of 19th century American literature Rather than seeing this strain as preoccupied with a subject s inner mental life it shows that subjects can only be understood and understand themselves through **Books Are Not Life But Then What Is?** Marvin Mudrick,2017-06-14 Books Are Not Life But Then What Is demonstrates how much Marvin Mudrick loved life and celebrated the dignity of life in literature It s helpful to be reminded now and then he writes that while novelists persist in their noisy betrayals of human dignity living has a longer history than reading and truth than fiction Mudrick insists on seeing authors and their characters as people and he describes and judges them as frankly as if they were living among us In this collection we meet heroes monsters and every shade of character in between Chaucer Pepys Rochester Boswell Jane Austen and Anne Elliot Dickens and Pecksniff Pushkin Tolstoy Kafka Edmund Wilson and many other novelists scholars and critics We get to know each of them so vivid are Mudrick s quotations and commentary Essay after essay demonstrates that good criticism can amplify both life and literature **Edmund Wilson: Literary Essays and Reviews of the 1920s & 30s (LOA #176)** Edmund Wilson,Lewis M. Dabney,2007-10-04 A first part of a two volume collection of essays by a forefront American critic and social chronicler

includes pieces written during the 1920s and 1930s and includes Axel's Castle The Shores of Light and an assortment of previously uncollected reviews     **Edmund Wilson** Sherman Paul, 1965     The Wound and the Bow Edmund Wilson, 2019-11-05 In this classic work the greatest literary critic of the 20th century probes the lives and works of seven great writers New York Magazine Combining biographical and critical sketches Edmund Wilson searches for the wellspring of artistic genius in this series of seven essays His wide ranging subjects include Charles Dickens Rudyard Kipling Edith Wharton Ernest Hemingway James Joyce Jacques Casanova and Sophocles The first two studies of Charles Dickens and Rudyard Kipling reveal how in each case an unhappy childhood later resulted in mature artistic works Expanding on this theme in succeeding chapters Wilson captures the essence of his thesis in the mythical story of Philoctetes as recounted in the final essay The legendary Greek archer was bitten by snake and then afflicted with an incurable malodorous wound that would not heal After first being banished the injured hero was later sought out by his fellow warriors for his prowess with a magic bow and his skill was ultimately key to the Greek victory at Troy In the best tradition of literary criticism combines exact information with shrewd and searching penetration into the personal life of the artist The New York Times

Right here, we have countless books **Edmund Wilson A Life In Literature** and collections to check out. We additionally give variant types and along with type of the books to browse.
