Edmund Leach A Bibliography Occasional Paper 42:

Edmund Leach Stanley J. Tambiah, 2002-02-14 Intellectual biography of Edmund Leach a leading social anthropologist of his generation with illustrations *The Essential Edmund Leach: Anthropology and society* Edmund Ronald Leach, Senior Research Fellow James Laidlaw, 2000-01-01 This volume contains a selection of Edmund Leach's writings on society taken largely though not exclusively from the early part of his career It includes such essays as *Rethinking Anthropology* and extracts from *Political Systems of Highland Burma* The Essential Edmund Leach: Culture and human nature Edmund Ronald Leach, 2000-01-01 Brings together a representative selection of the writings of Edmund Leach *Pillars in the History of Biblical Interpretation, Volume 2* Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar's theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed Theory in Social and Cultural Anthropology R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume *Theory in Social and Cultural Anthropology An Encyclopedia* Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader's Guide groups entries thematically and each entry is followed by Cross References In the electronic version the

Reader's Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities. An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present. Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion. **Introduction To Library Research In**

Anthropology John M Weeks, 1998. This edition outlines the historical development of the discipline, identifies the informational needs of anthropologists, and describes the structure and organization of libraries as sources of anthropological information. A variety of research strategies and methods for conducting library research are explored as well. Included are descriptions of scope, arrangement, and content for hundreds of reference works such as encyclopedias, dictionaries, directories, subject and regional bibliographies, guides to specialized libraries and archives, indexes, and abstracts. Human Relations Area Files and computerized databases. Electronic databases are identified throughout the volume, and a chapter is devoted to Internet resources. **Oxford Dictionary of National Biography: Knox-Lear** Henry Colin Gray, Matthew, Brian Harrison, 2004. 55,000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002. **Bibliographic Guide to Anthropology and Archaeology**, 1991. **Proceedings of the British Academy** British Academy, 1998. *The British National Bibliography* Arthur James Wells, 1992. International Dictionary of Anthropologists Christopher Winters, 1991. **Dictionary of National Biography**, 1986. Fieldwork in the Library Robert C. Westerman, 1994. *Aanwinstenlijst Centrale Bibliotheek Koninklijk Instituut voor de Tropen. Centrale Bibliotheek*, 1990. **Recent Publications in Natural History**, 1991. The Dictionary of National Biography, 1986-1990 Christine Stephanie Nicholls, Keith Thomas, 1996. A compilation of biographies of prominent British individuals who died between 1986 and 1990, detailing the lives and careers of those in medicine, sports, politics, entertainment, the arts, and writing. Many of the contributors are prominent persons in their own right, and many knew their subjects personally. Includes a cumulative index from 1901 through 1990. Annotation copyrighted by Book News Inc., Portland, OR. **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978. Department of Architecture, Tampere University of Technology, Occasional Papers, 1987. **Reason and Necessity in the Specification of the Multiple Self** Roland Littlewood, 1996. Anthropology Newsletter, 1990.
