*Edna His Wife* Margaret Ayer Barnes, 1935      **Edna, His Wife** Margaret Ayer Barnes, 1935      The Chicago of Fiction James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on Chicago-centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The Chicago of Fiction: A Resource Guide*, James A. Kaser provides detailed synopses for more than 1,200 works of fiction significantly set in Chicago and published between 1852 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included.

**The Middle Class in the Great Depression** Jennifer Haytock, 2013-08-20 In contrast to most studies of literature from the Great Depression which focus on representations of poverty, labor, and radicalism, this project analyzes popular representations of middle-class life.

**Looking at Life Through American Literature** Nellie Mae Lombard, 1940      Transgression and Redemption in American Fiction Thomas J. Ferraro, 2020-12-03 *Transgression and Redemption in American Fiction* is a critical study of classic American novels. Ferraro returns to Hawthorne's closet of secreted sin to reveal *The Scarlet Letter* as a deviously psychological turn on the ancient Mediterranean Catholic folk tales of female wanderlust, cuckolding, priests, and demonic revenge. This lights the way to explore what Ferraro calls the Protestant temptation to Marian Catholicism in seven modern American masterworks, including Chopin's *The Awakening*, Fitzgerald's *The Great Gatsby*, Cather's *The Professor's House*, and Hemingway's *The Sun Also Rises*. *Transgression and Redemption in American Fiction* explores stories of forbidden passion and sacrificial violence with ultra-radiant women and sometimes men at their focus. It examines how these novels speak to readers across religious and social spectrums, generating an inclusive mode of address and near-universal relevance. Ferraro breaks the codes of contemporary criticism in his thematic focus and critical style, going beyond Protestantism and even Judeo-Christian Orthodoxy itself. *Transgression and Redemption in American Fiction* encourages the attentive reader to think

about the American imagination the myriad arts of writing about the passion plays of love and even our canonical structures for reading and thinking about literature in new ways

*The New Orleans of Fiction* James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In *The New Orleans of Fiction A Research Guide* James A Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included
