▪ *Frameworks for Lay Leadership* is designed to guide laypeople through a validated course of study in order to lead a variety of ministries in the Church of the Nazarene. This is particularly helpful in contexts where there are no ordained clergy to plant or lead new congregations or oversee existing ones. Upon completion of this course of study, under the guidance of an ordained Nazarene minister, a certificate of lay ministry may be issued by a local church board or a district advisory board.
