Go East, Young Man Richard Francaviglia, 2011-12-14 Transference of orientalist images and identities to the American landscape and its inhabitants especially in the West in other words portrayal of the West as the Orient has been a common aspect of American cultural history Place names such as the Jordan River or Pyramid Lake offer notable examples but the imagery and its varied meanings are more widespread and significant Understanding that range and significance especially to the western part of the continent means coming to terms with the complicated nuanced ideas of the Orient and of the North American continent that European Americans brought to the West Such complexity is what historical geographer Richard Francaviglia unravels in this book Since the publication of Edward Said's book *Orientalism* the term has come to signify something one dimensionally negative In essence the orientalist vision was an ethnocentric characterization of the peoples of Asia and Africa and the Near East as exotic primitive others subject to conquest by the nations of Europe That now

well established point which expresses a postcolonial perspective is critical but Francaviglia suggest that it overlooks much variation and complexity in the views of historical actors and writers many of whom thought of western places in terms of an idealized and romanticized Orient It likewise neglects positive images and interpretations to focus on those of a decadent and ostensibly inferior East We cannot understand well or fully what the pervasive orientalism found in western cultural history meant says Francaviglia if we focus only on its role as an intellectual engine for European imperialism It did play that role as well in the American West One only need think about characterizations of American Indians as Bedouins of the Plains destined for displacement by a settled frontier Other roles for orientalism though from romantic to commercial ones were also widely in play In *Go East Young Man* Francaviglia explores a broad range of orientalist images deployed in the context of European settlement of the American West and he unfolds their multiple significances

no way of knowing the course of his life would change forever and that he would become entangled with a band of Civil War veterans with a score to settle against the government and a feisty young woman who'd risk anything to save the people she loved. Cris Mayo, who had never backed away from a fight in his life, was about to have his courage put to the ultimate test.

The Key-Lock Man Louis L'Amour, 2004-03-30 He had led the posse for miles through the desert but now Matt Keelock was growing desperate. He was worried about Kristina. His trip to the town of Freedom for supplies had ended in a shootout. If caught, he would hang. Even though Kris could handle a horse and rifle as well as most men, the possibility of Oskar Neerland's finding her made Matt's blood run cold. He knew the violent and obsessive Neerland publicly embarrassed when Matt had stepped in and stolen Kris away would try to kill them both if given half a chance. Matt tried to convince himself that Neerland had returned to the East. But Matt was wrong. Miles away in the town of Freedom, Oskar Neerland was accepting a new job. In his first duty as marshal, he would lead the posse that was tracking down Matt Keelock. **American Indians at**

the Margins H. Roy Kaplan, 2022-05-11 Since the earliest days of America, racist imagery has been used to create harmful stereotypes of the indigenous people. In this book, the conflict between invading European white settlers and the indigenous groups who occupied the land that became the United States is described through the context of race and racism. Using depictions from art, literature, radio, cinema, and television, the origin and persistence of such stereotypes are explained, and their debilitating effects on the well-being of Indians are presented. This text also explores their accomplishments in attempts to maintain their sovereignty, dignity, and respect. **Son of a Wanted Man** Louis L'Amour, 2003-12-30 An outlaw's legacy.

In a remote corner of Utah lies the secret outlaw kingdom of Ben Curry. For fifteen years, Curry has ruled supreme as his men have pulled jobs from Canada to Mexico. But the king is getting old; he wants to turn his legacy over to someone younger. Tougher. Mike Bastian is Ben's adopted son, a young man who can handle a knife, a gun, his fists, but a man who's never broken the law. Now, as treachery explodes among Ben's riders and two honest lawmen, Tyrel Sackett and Borden Chantry, begin to zero in on the gang. Mike must choose between his loyalty to Ben and his yearning for a different life. Yet when the guns start echoing off the Vermilion Cliffs, the time for choosing is over, and the time for battle has begun. *Mustang Man: The*

Sacketts Louis L'Amour, 1966-04-01 In *Mustang Man*, Louis L'Amour takes Nolan Sackett on a dangerous journey into family betrayal, greed, and murder. When Nolan Sackett met Penelope Hume in a cantina at Borregos Plaza, the girl immediately captured his attention. That she was heir to a lost cache of gold didn't make her any less desirable. But Penelope isn't the only one after her grandfather's treasure. Sylvie Ralph and Andrew Karnes, distant relatives with no legal claim to the gold, are obsessed with claiming the Hume fortune for themselves. Their all-consuming sense of entitlement recklessly drives them to ambush and murder. Even if Sackett and Penelope are fortunate enough to escape this deadly trio and find the canyon where the gold is hidden, Indian legend has it that nothing will live there: no birds or insects. They say it is filled with the bones of men. *The Man from the Broken Hills* Louis L'Amour, 1996-06-01 For years, Milo Talon had been riding the outlaw trail.
