Education Policy And Ethics:

Education, Policy and Ethics Mike Bottery, 2001-01-01 Across the world a number of long term trends globalization marketization managerialism are now impacting on national education policies Here Mike Bottery shows how paradoxically these forces are making education both more centralized and more fragmented In this magisterial study of educational policy and practice he shows the dangers this creates and in response how to create a more humane and democratic education system

Ethics and Educational Policy (International Library of the Philosophy of Education Volume 21)

Kenneth A. Strike, Kieran Egan, 2010-02-25 This is a philosophical treatment of the conceptual and normative aspects of topics which are currently a matter of policy debate in education The authors have focussed on such concepts as liberty autonomy equality and pluralism and have provided a philosophical commentary which relates these concepts both to a background of philosophical literature and to the institutional contexts and policy debates in which they function The book will be of significance to all policy makers who need to gain an understanding of the values and concepts involved in major policy problems
