Lora Cohen-Vogel, Peter Youngs, Janelle Scott, 2025-07-17 The second edition of the Handbook of Education Policy Research the largest volume published in AERA's history addresses a variety of policy and contextual issues in early childhood K 12 and postsecondary education that have received extensive empirical attention during the past 15 years With the pandemic and social turmoil as a backdrop the editors build on the breadth and depth of the first edition while expanding the scope of the project to include subjects methods theories and analyses that have contributed powerfully to the study of education policy and politics in the 2010s and 2020s The field has become more comprehensive and inclusive and the authors represent a diversity of racial ethnic and gender identities and intellectual and disciplinary orientations Most chapters come from multiple authors reflecting the multi sourced development of research in education policy since the first volume was published This compilation consists of 70 chapters and nine commentaries that map past present and future directions of the field and richly attend to critical issues of interest to students researchers policy makers and practitioners **Handbook of Research on the Education of School Leaders**, *Educational Policy and the Politics of Change* Miriam Henry, Bob Lingard, Fazal Rizvi, Sandra Taylor, 2013-01-11 Governments around the world are trying to come to terms with new technologies new social movements and a changing global economy As a result educational policy finds itself at the centre of a major political struggle between those who see it only for its instrumental outcomes and those who see its potential for human emancipation This book is a successor to the best selling Understanding Schooling 1988 It provides a readable account of how educational policies are developed by the state in response to broader social cultural economic and political changes which are taking place It examines the way in which schools live and work with these changes and the policies which result from them The book examines policy making at each level from perspectives both inside and outside the state bureaucracy It has a particular focus on social justice Both undergraduate and postgraduate students will find that this book enables them to understand the reasoning behind the changes they are expected to implement It will help to prepare them to confront an uncertain educational world whilst still retaining their enthusiasm for education *Improving School Leadership* Catherine H. Augustine, Gabriella Gonzalez, Gina Schuyler Ikemoto, Jennifer Russell, Gail L. Zellman, 2009-12-16 This study documents actions of Wallace Foundation grantees to create more cohesive policies and initiatives to improve instructional leadership in schools describes how states and districts have worked together to forge such policies and initiatives and examines the hypothesis that cohesive systems improve school leadership Such efforts appear to be a promising approach to developing school principals engaged in improving instruction **Knowledge Management for School Education** Eric C. K. Cheng, 2014-10-15 This book introduces the application of knowledge management KM theories practices and tools in school organization for sustainable development Schools in Asia Pacific have long faced a variety of challenges in terms of sustainable development under the education reforms and curriculum reforms to meet the demands of a knowledge society Schools are inevitably expected to develop human capital for the knowledge society within the

competitive global economy and to interact with its policy environment and know how to leverage pedagogical knowledge. The high speed of expansion change and expansion of knowledge have dramatically influence the development of flexibility of teacher and school works. The nature of teacher work becomes increasingly less routine more analytical and disruptive yet often come with a sense of urgency and need to be more collaborative. Teachers not only require data and information but also knowledge and experience of individual they also need to collaborative task execution decision making and problem solving. Helping school leaders and teachers to manage their knowledge and become know how to cope with the change is important.

Unexplored Conditions of Charter School Principals Marytza A. Gawlik, Dana L. Bickmore, 2017-08-03 *Unexplored Conditions of Charter School Principals* An Examination of the Issues and Challenges for Leaders explores contemporary policy issues confronting charter school principals. The purpose of this book is to explore the issues and challenges confronted by charter school principals across an array of goals and expectations set forth by the policy and local context. By drawing on leadership and policy experts and researchers we offer an in depth examination of what current issues charter school principals face. Starting with autonomy we work our way through teacher evaluation and succession and socialization and then conclude with an opportunity to reflect on what we know and how to look forward. By drawing on autonomy sensemaking teacher evaluations and succession and socialization this book traces the development of the charter principal within these policy contexts. Collectively these topics form the beginnings of what we hope will be an informative and useful conversation of where the charter school principal has been and where they are headed.
