Cairo Claire E. The basics of daily life, finding a flat, transporting personal goods, investigating school options for children, navigating Egypt's famous bureaucracy and the intricacies of feeding and clothing oneself and one's family from the local market are all detailed here. Advice gathered from a wide range of Cairo insiders, both native and foreign, gives the reader a cornucopia of current facts on prices, neighborhoods, product availability, work and business opportunities, and the dizzying range of cultural and leisure pursuits that Cairo is famous for. The format of this edition addresses the needs of independently minded tourists as well as residents by the inclusion of an A to Z directory of goods, services and interests, subdivided by neighborhood, a language section on the basics of Cairene Arabic and details on shopping and sightseeing from a resident's perspective.
