Guide To Successful Christian Teaching:

Guide to Successful Christian Teaching Ardell Jacquot, 1984-01-01 *The Timeless Textbook* Dr. E. Lee Duncan, 2022-11-03 The Timeless Textbook is an educator's look into God's plan for education as revealed in the Old Testament Book of Proverbs. The premise of this book is that God inspired Solomon and others to create a textbook for students to use as they were taught by parents or by instructors in Solomon's palace. The Book of Proverbs looks at the teaching-learning process and explores the roles of parents, teachers, students, and authorities. This timeless textbook is applicable to students of all ages and is just as relevant today as when it was written close to three thousand years ago.

Want to establish or modify an A.A. meeting or a Christian Recovery meeting so that it can include information on the roles played by God, His Son Jesus Christ, and the Bible in early A.A.'s astonishing successes? *Stick with the Winners* by Dick B. and Ken B. may be just what you need to carry the message more effectively. This volume features the expertise of 25 evangelical scholars of Christian education, including diverse next-generation voices in the field. Additional resources for professors and students are available through Textbook eSources. *A Historical Study of Christian Education* Ruby M. Jackson, 2013-09-20 Christian education recognizes the value of family throughout Scripture; it reaffirms the centrality of biblical revelation in the teaching process. It examines Jesus as teacher, mentor, and leader. It recognizes the role of the Holy Spirit and responds to the Great Commission in ministry, and refocuses on education for spiritual growth. In this book, I have provided biblically supportive, documented views of those persons who influenced or those who were influenced by Christian educational concepts in the process of teaching and learning. The historians referenced in this book do not claim to be theologians or philosophers but educators with expertise in the area of Christian education. The Old and New Testaments will be used as biblical references along with other supporting documents throughout this book to illustrate God's Word and its implication in the teaching and learning of His people. Finally, you will have a better understanding of the true meaning of Christian education in the following areas: purpose, a historical perspective, instructional process, targeted population, leadership, home resources in education, 2001-04 *Encyclopedia of Christian Education* George Thomas Kurian, Mark A.
