Thirtle has been followed throughout namely that many superscriptions should be the subscriptions to the preceding Psalms and these have been so arranged Further details will be found in the Introduction Each Psalm has a Title and at the end a Thought which is designed to fix in the mind the main lesson of the Psalm To each is added a note which relates the Psalm to some incident in Christian story The Exposition aims as far as is practicable within its limits at giving interpretative homiletical and devotional help The acrostic Psalms are shown by the Hebrew alphabet in the left hand margin The verse numbers are arranged in a straight line on the left and are not allowed to interfere with the poetic form of the Psalm All references to Deity both by name and pronoun have the initial letters in capital type and this in several places has an interpretative value It is hoped that these several features combined may help to make the reading and study of the Psalms more interesting and profitable
