the very first step Sometimes people who set out on a journey fail to get to their destination either because of an accident or other unforeseen circumstances Just as it is in the physical realm so also it is in the spiritual Inviting Jesus into their lives is the first step in the Christian journey for new believers The purpose of this book YOUR NEW LIFE is to ensure that they arrive at their destination safely God is not only interested in seeing souls saved He wants them established in the faith This is the very essence of YOUR NEW LIFE Inspired by the Holy Spirit the book has been written out of a strong desire to see new believers established in their walk with God It is to help them get to grips with their faith in Christ and to go on to maturity For more mature Christians the book enables them to explain the basic foundation of the Christian life in the uttermost simplicity In Matthew 28 18 20 Jesus told His disciples that they should go and make disciples of all men and teach them to obey His commands And in John 15 16 Jesus said that we did not choose Him but He has chosen and appointed us that we should go and bear fruit and that our fruit should remain that whatever we ask the Father in His name He will give to us He was giving to His disciples final instructions in relation to how to build people spiritually in the church On the subject of church life there are countless books that have been published many seminars to attend and church conferences arranged The Body of Christ is not devoid of teaching in relation to what the church needs and much of it is excellent revelation and we need to thank God that we live in a day when such teaching is readily available Having acknowledged that we must never forget the words Jesus said to His disciples in those final moments make disciples and teach them to obey my commands This suggests that people are not born disciples but that they need to enter a process by which they will become disciples Jesus knew the importance and impact of a life touching another life Therefore it is vital that we who have already submitted our own will and are true disciples give ourselves to the process of building people so that they in turn will do the same to others We were not told to gather a crowd and use techniques of the day to accomplish that aim this is not about how many people we gather on a Sunday but how effective we are in making people true followers of Jesus Christ This is what YOUR NEW LIFE is about making people disciples and true followers of Jesus Christ Ngozi Okike is a woman who all her life has understood these principles Before she penned anything in this manual she has lived through it and tested it in her own life Her desire is to see the Body of Christ built up and a lifestyle to begin the moment a person surrenders his her life to Christ so that it will ultimately produce true discipleship in their lives Because of her deep conviction and belief that a person should be taught to lean upon the Lord and know what He is commanding us to do she has given us the Church this tool by which we can achieve this objective in people s lives You will find that YOUR NEW LIFE is a very basic manual written in plain easy to understand language so as not to alienate anyone from the truth Ngozi herself is very educated yet she has been able to communicate life changing principles in a style that all will understand It is her sincere desire that any new believer who gets hold of this book will not be in any doubt as to what the Christian life entails Ngozi prays that every believer who reads this book will go on to maturity and help others find Christ Every church Christian group or organization that is

passionate about seeing souls saved and nurtured in the faith should find this book an invaluable tool *Starting Out* Michael Duncan, 2010 If you are a new Christian you undoubtedly have many questions about your new life in Christ Beginning your Christian journey can be an uncertain time and you want to develop good practices that will allow you to grow spiritually But what steps do you take to do that If you are serious about developing your walk with Christ *Starting Out* is for you Written with the new believer in mind this eight week study will lead you through some of the difficult issues that Christians face and show you what to do next You will discover How the Bible was written and put together God's plan for mankind through salvation How to develop a life of prayer Why the Church exists and your responsibilities in it The importance of being a good steward of your time and resources How to share what you believe with others What is yet to come in the last days Each week's study designed to take approximately 45 minutes per day is divided into six daily exercises that will help you build a strong biblical foundation and develop personal Bible study habits Along with individual study each week also contains a Scripture passage for you to memorize to cement the main themes of the week in your heart and mind Through this practical and proven method of intentional discipleship you will learn key doctrines and concepts in the Bible that will enable you to continue to grow in Christ Basics for Born-Again Believers Denise Zaneccchia, Ph.d., Rn Denise Zaneccchia Phd, 2009-12 Basics for Born Again Believers A Guidebook on the Christian Role provides the perfect guide for new born again believers Denise Zaneccchia Ph D R N writes a biblically sound concise and well organized spiritual guide for new believers In these pages new teen and adult believers will find guidance and inspiration for beginning and growing in their Christian life and ministry Churches and Christians should strive to place this book with its imperative message in the hands of every new Christ follower The Kingdom of God Shirley Dianne Lise, 2013-07-05 The KINGDOM OF GOD Guidebook for new Christians is a short Bible study for those who have just recently accepted Jesus as their savior It introduces the new believer to the Kingdom of God of which Jesus spent three years of His ministry teaching Highlighting Jesus message of how through a spiritual rebirth a born again believer becomes an heir of this kingdom as it continues to be ushered into the earth as well as elaborating on the benefits of being a partaker this guidebook will inspire and encourage the new believer to take further steps to learn of his her new citizenship in God's kingdom **The Christian's Guide to Natural Products & Remedies** Frank Minirth, Alan Horewell, Virginia Neal, 2005 Yet the marketplace of natural healing can be a highly unregulated one full of hearsay trends and half truths Too much misinformation Few trusted sources are available to clearly explain both the good and bad sides of the herb and supplement story The Christian's Guide to Natural Products Remedies offers the respected integrity of Dr Frank Minirth and collective wisdom of his associates for a thorough Bible informed approach to mind and body health Dynamic commentary and Q A chapters address natural healing from every direction followed by invaluable sections on herb and supplement profiles drug and herb interaction studies and much more Book jacket A Guidebook to Prayer MaryKate Morse, 2013-10-04 Why is it so hard to master consistent and meaningful prayer
