happy to take Christ as Savior in some instances as prophet but not so much as King Christ says If a man love me he will keep my words The man who loves Jesus as he ought what will the outcome be for him in this act of loving and my Father will love him and we will come unto him and make our abode with him John 14 23 Union and communion with Christ are set on keeping his words The King commands his people and he expects them to obey This is not legalism as if one would work for their justification but rather it is obedience that one would be made more like the King in holiness Christ says If ye love me keep my commandments John 14 15 This work takes Christ s Ten Commandments the commands of King Jesus and not only expounds their basic teachings but also how those commands apply to the life of the Christian First considered is the relationship between the Law and the Gospel Then each command will be considered in both their positive and negative aspects i e do not lie also means tell the truth Then three concluding chapters will cover 1 those people who count the Law of God as a strange thing 2 those people who turn away from the Law and reject it and 3 how Christ is the end of the Law for all believers and what that actually means in light of his covenant work and merit This is a practical study of how the law of Christ applies to every Christian both in obedience and submission to Christ the King and for the good of their growth in holiness
