Lim tops JC reelections CB rep vacancies filled

By Toney Bert Ramirez

Rafael Lim (3-BS BM) edged fellow candidate Hubert Guevara (4-BS LM), 1366-1360, for first place in the Judicial Council re-elections last August 12.

Not too long ago, an attempt to seat JC magistrates was foiled when actual voter turnout fell short by 16 votes. This was hardly the case in the last elections, as 1,957 students or 59.42% showed up to cast their votes, exceeding the minimum by 80 votes.

Closely behind the leaders was Coco Alcantar (3-AB Phin.) with 1,356 votes. Fourth and fifth, respectively, were Ray Aguirre (3-BS ME) and Leticia Sison (3-BS ME). Lim and Guevara were the only candidates who only gained the vote after the failed JC elections. Filling in the last slot was Francis Garguier (4-AB Com.), who garnered 661 votes.

Lim cited his strong showing in the Freshman and sophomore bodies, where he took 342 and 317 votes, respectively, and the junior year, which dropped to 331 votes, as responsible for his success. Reacting to the heavy turnout, he said that "in (1987) is an encouraging moment. Still, some students are apathetic. The results, though, were a good indication that some were aware."

For his part, Alcantar attributed the turnout to the students' shared values. He said that "To a certain extent, the campaign made them (the students) aware that they had a situation to respond to."

Commenting on the other hand, argued that while the heavy turnout was a healthy sign, it cannot by itself prove apathy. Ateneo, he emphasized, "should show concern not only for electoral issues but electoral ones as well. They should always be critical."

Merrill, vice senior lieutenant rep candidate Maño Bantua (3-BS BM) garnered 208 votes, as the senior freshmen section registered a 64,079 voter turnout.

Maño's rep, Katarina pure at Katarina here also filled in the remaining slot in the freshmen year council. Lower senior rep her Mike Paredes (3-BS B) easily beat the absentee vote 1,090 votes. Running mate AJ Neri (3-AB Com.) and Mike Budia (3-AB Com.) emerged with 212 and 214 votes, respectively.

Winners of the JC elections were included into office by Chief Justice of the Office of Student Affairs last August 23.

Judicial Council (JC) magistrates Ray Aguirre (3-BS ME) and Hubert Guevara (4-BS LM) put to rest rumors that the freshmen year council would be dissolved. Guevara, following the discovery of glaring discrepancies between the original version of the Constitution and the typographical-error-ridden Guidelines.

OSA Director Chito Salazar leads anti-bases rally for the Magistrates.

Anti-bases campaign continues

By Barbara Bernardino

Responding to an urgent need to educate Filipinos on the issue of the US military bases, several groups within the Ateneo launched an information drive through talks with localities, cities, and towns of these municipalities in Philippine territory.

The first of a series of talks was given sponsored by KATANA and the Ateneo. The first of these talks was last July 21 at the University of the Philippines, Los Angeles.

In his discussion, Fr. Bernardino discussed the role of the Ateneo in the Philippines, the role of the Ateneo in the Philippines, and the role of the Ateneo in the Philippines.

After Fr. Bernardino, Ateneo followed that discussion with a series of talks with the Ateneo. He cited the US Navy's presence in the Philippines, the role of the Ateneo in the Philippines, and the role of the Ateneo in the Philippines.

of national security. Fr. Bernardino stated that these American military installations are of no use to the Philippines, since they cannot be used by the government against subversive elements and the country's security is better protected by a strong, unified, and democratic government.

Fr. Bernardino, however, expressed optimism over organized US intervention in Philippine affairs. He said that this, however, was contrary to the danger of becoming involved in a war that we have nothing to do with.

Following the discussion, Fr. Bernardino presented his report for the removal of the US bases in the Philippines, showing that the presence of the US bases is a danger to the sovereignty of the Philippines, and that the removal of the US bases is a necessary condition for the Philippines to become a fully independent nation.

Ateneo hosts fiftieth Buklod Atenista Assembly

By Maria Bautista

The Ateneo de Manila will host the Buklod Atenista Fiftieth National Assembly from September 11 to 13 at the Buklod Center, Pampanga. Delegates from each of the other Ateneo branches namely Xavier University (Ateneo de Cagayan), Ateneo de Naga, Ateneo de Zamboanga, and Ateneo de Davao are expected to attend the conference. Representing the Ateneo de Manila are Benito Marquez (CB President), Bong Bautista (EPP), Karl Martinez (Junior Arts Rep.) and two others from the Freshman and Sophomore Year Councils. Aside from the students, the Fr. Provincial, as well as the presidents of all the Ateneo Universities have been invited.

This year's National Assembly will address education-related local and national concerns. An analysis

of the present educational system will also be made, to facilitate the creation of programs responsive to issues close to the Atenean such as the Magna Carta of Students Rights and the tuition fee. Resolution on the U.S. Bases issue will also be made. The structure and program of Buklod will be re-evaluated, in hopes of increasing the Ateneo's participation in national activities.

The very promising Cultural Exchange Program will be of great importance to this year's National Assembly. The exchange between Ateneo communities began last year, after the Fourth National Assembly, with the trading of products from different regions. At present, however, Buklod aims to expand the program to include cultural groups.

Central Board conducts study on Share-an-Education Program

By Baby Laskhan

The Central Board (CB) is conducting a feasibility study on Share-an-Education Program (SAEP), formally known as the "socialized tuition fee scheme." SAEP is basically the subsidizing tuition fee of the lower income class by letting the higher income class pay more.

Meanwhile, the University of the Philippines (UP) is studying the socialized tuition fee scheme. UP students who belong to the P15,000 and above income bracket are to pay a full amount of P15,000 compared to a government-subsidized amount of P10,000. The UP was to request government subsidy. What Ateneo wants is for the higher income class to absorb the tuition fee of the lower income bracket.

Ateneo Vice President and chairman of the research committee on SAEP stated, "The Center for Social Policy (CSP), an on-campus research group is also studying the feasibility of socialized tuition fee in the Ateneo. In an interview, Lito Rana of the CSP said "The idea of 'socialized tuition fee' came to Ateneo two years ago, then it was a matter to have tuition fees. However, CSP was not able to implement it. At that time, an extensive deliberation among the college community was held. The Council of Professors (COP) and the Council of Students (COS) came out with a special resolution about 'SIT' in the Ateneo."

According to the S.A. office, "After further discussion, especially involving the Arts & Science Faculty Council (ASFC), it was decided that we will try to have the two groups, a group that would be 'semi-socialized.' Donations would be required from the top upper income groups of the faculty and the incoming freshmen class." This resolution was in effect the resolution of the Ateneo's Social Policy (CSP) that is

underlies the SA.

Results on the study revealed some income levels. They are as follows:

Level No.	Income bracket (P.A.)	% of
1	50,000 and below	20%
2	50,000 - 74,000	20%
3	75,000 - 99,000	20%
4	100,000 - 149,000	15%
5	150,000 - 249,000	15%
6	250,000 - 499,000	12.5%
7	500,000 - 999,000	10%
8	1,000,000 - 2,499,000	7.5%
9	2,500,000 and above	200%

*The 20% level, the median is the average income bracket of a student in

Ateneo. The basic tuition fee is P15,000 a year. In an estimated view, the fee level would be spending 6-10 percent of the annual income for one child, on the offhand, those belonging to the 8th level would be allowing 3 or less percent for one child, therefore, the degree of burden is relatively the same, even though tuition is higher for them.

In this system, the percentage of payment is directly related to the income bracket to which they belong. This system, however, has advantages and disadvantages. While it is true that the system gives a considerable margin of income and the
