Guillotine At Work The Guillotine At Work:

The Guillotine at Work Vol. 1: The Leninist Counter-Revolution Gregory Petrovich Maximoff, 1979-05 Originally published in 1940 in two volumes this is the partly eyewitness account of the Leninist terror inflicted upon Russia Maximoff a life long anarchist fought in the Russian Revolution organized with the metal workers and was imprisoned by Lenin's secret police in 1920 when he refused to join the Red Army he was happy to fight the Whites but not put down workers_ and peasants_ uprisings Exiled he wrote this incredible volume in English Over the course of nearly 400 pages he recounts not only the Leninist terror and reaction against the popular revolution but shows how the actions of Stalin followed deliberately in his master and mentor's footsteps Volume 2 unfortunately never reprinted was a collection of supporting documents primary evidence Regardless this volume stands alone as a stunning and sadly relevant indictment of the Bolshevik terror This is the original American edition of the Cienfuegos Press edition published here in America in 1979 The Guillotine at Work. Gregory Petrovich Maximoff, 1979 **The Guillotine at Work Vol. 1** Grigoriĭ Petrovich Maksimov, 1978 *The Guillotine at Work* Grigorij Petrovič Maksimov (Anarchist), 1940 **The White Pill** Michael Malice, 2022-12-04 The Russian Revolution was as red as blood The Bolsheviks promised that they were building a new society a workers paradise that would change the nature of mankind itself What they ended up constructing was the largest prison that the world had ever seen a Union of Soviet Socialist Republics that spanned half the globe It was a country where people's lives meant nothing less than nothing and they knew it But no matter what atrocity that the Soviets committed the secret police the torture chambers the show trials the labor camps and the mass starvation there was always someone in the West rushing to justify their bloodshed For decades it seemed perfectly obvious that the USSR wasn't going anywhere until it vanished from the face of the earth gradually and then suddenly This is the story of the rise and fall of that evil empire and why it is so important for the good to never give up hope This is the white pill **The Guillotine at Work** Grigoriĭ Petrovich Maksimov, 1940 *The Guillotine at Work* G.P.
