*Secrets of a Medium* Larry Dreller, 2025-09-12 Author of the acclaimed *Beginners Guide to Mediumship* Larry Dreller digs deeper into the role of mediums and the meaning of mediumship in our complex rational increasingly scientifically sophisticated world Mediumship necessarily revolves around the to some scary but inevitable fact of death In a broad sense a medium is simply one who communicates with the spirits of the departed There is ample evidence of life after death the continuation of the soul and other forms of life we don't understand Yet modern science and technology have yet to explain or explain away that evidence In *Secrets of a Medium* which is an advanced guide to mediumship Dreller explores death the afterlife and those realms beyond the mortal world in a readable sensible manner unclouded by vague jargon or dogmatic faith He explains the range of psychic abilities and characteristics of mediums the difference between psychics and channelers the mental and physical abilities of mediums what mediums believe and typical settings for the work of a medium On a practical side he lists what is needed for a seance and other works and how to prepare oneself mentally physically and spiritually for the work of a medium He goes into some depth about what to expect when contact is made with the other side More than just a guide to mediumship as a practice Dreller provides a guide to life for the aspiring medium A glossary of paranormal terms an extensive bibliography and a guide to the paranormal and mediumship in popular media make this an invaluable reference to aspiring and practicing mediums *The Guinness Encyclopedia of the Human Being* R. M.

Youngson, 1994 **God Or Allah, Truth Or Bull?** Richard Woo, 2011 Is there a perfect being Is everything in the universe a creation of God the so called Intelligent Designer Is there a providential divinity watching over the human drama and occasionally revealing information to us supernaturally Writing about God and religious issues can attract adverse reactions from people and one can never be sure of the kind of reception that may ensue even if one's arguments appear to be nothing less than logical I hope this book will imbue in you a realization that there are no logical arguments for the existence of God or any god apart from wishy washy propositions that say little or nothing and that no empirical evidence has ever been offered in support Arguments must be decided on the basis of their being factual or non factual persuasive or unpersuasive logical or illogical Reason is a far more reliable or effective tool than a mountain of faith especially if faith means adhering blindly to one's religious teachings or dogma Arguably whether life is meaningful whether there is a purpose to the universe or whether there is a paradise waiting for us after we are buried or cremated are questions that will have to rest with each individual Thus if there are any truths to be found in this book it is for you the reader to decide Before he retired Richard Woo was in international banking Today he lives in Singapore and is an avid reader on topics concerning science politics and religion Publisher's website <http://www.strategicpublishinggroup.com/title/GodOrAllahTruthOrBull.html> *The Calling* Tony Perez, 1996 *UFOs and Popular Culture* James R.
