Smith, Laurie Eagleson, 1990      **For the Love of Music** Darwin Floyd Scott, 2002      **Music Reference and Research Materials** Vincent Harris Duckles, Ida Reed, Michael A. Keller, 1997 This text has been the standard guide to source literature of music and contains critically annotated listings of over 3 500 key sources This comprehensive guide to reference sources is organized into chapters by category of source The text s organization introduces students to a vast array of sources to include Dictionaries and Encyclopedias Histories and Chronologies Sources of Systematic and Historical Musicology Bibliographies of Music Music Literature and Music Business Reference Works on Individual Composers and Their Music Catalogs of Libraries and Musical Instrument Collections Discographies Yearbooks Directories Electronic Resources      *NU Quarter Notes* ,1988      **Notes** Music Library Association, 2004      *Guitar Music by Women Composers* Janna MacAuslan, Kristan Aspen, 1997-08-07 A practical guide for guitarists searching for new repertoire that includes women composers this unique work lists musical works by instrumentation followed by biographies of each composer The format first leads users to available pieces in possible ensembles and then to the biographical section which introduces them to the composers many of whom have been completely unknown in the guitar world Appendixes list addresses for composers and publishers Indexes cross reference composers with their works Instrumentation entries include titles composer names publisher names specific instruments and length and description of the piece for indication of style In the biographical entries sources are given to guide the reader to more complete information about the composer These features combined with valuable appendixes indexes and cross referencing capabilities from section to section make this work easy to use      *The Guitar Review* ,1992      **The Humanities** Ron Blazek, Elizabeth Smith Aversa, 1994 Updated and expanded to embrace new developments in the electronic environment and new emphases on multicultural and female influences and accomplishments the fourth edition 3rd ed 1988 of this guide to humanities information sources includes 1 250 major entries Chapters cover general humanities philosophy religion visual arts performing arts and language and literature Organized as previous editions the volume provides one chapter on sources and another on access for each area The sources chapters have in depth descriptions of both print and electronic tools the access chapters relate to finding and retrieving information Annotation copyright by Book News Inc Portland OR      New in the NTSU Music Library North Texas State University. Music Library, 1992      *Bibliographic Guide to Music* New York Public Library. Music Division, 1995      **Music for Voice and Classical Guitar, 1945-1996** James F. Maroney, 1997 In the late 19th century Spanish guitar maker Antonio de Torres established a standard size and form for the classical guitar in the early 20th century musicians developed advanced playing techniques that contemporary recitalists refined By the late 1940s composers had begun to compose music specifically for the classical guitar and in the past fifty years there have been over 550 pieces composed expressly for the duo of classical guitar and solo voice This work provides for the first time an

annotated catalog of such compositions Each entry includes the composer title language in which the work is to be sung  
 dates of composition and copyright publisher and catalog number author and text source voice type required to sing the song  
 as indicated by the score range and tessitura and difficulty of the piece for the singer The annotations touch on additional  
 matters such as whether the piece is part of a song cycle or a collection and its duration      **American Book Publishing

 arts** Albert John Walford,Marilyn Mullay,Priscilla Schlicke,Library Association,1996 From its first edition the purpose of  
 Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is  
 applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important  
 textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to  
 reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a  
 particular effort has been made to improve coverage of the latter two categories
