Gardening is Marie Harrison's avocation passion some might say obsession. In her personal witty style she refers to her husband as Amiable Spouse or A S for short. Marie divulges her own tried and true ways of gardening along the coasts of the southeast United States. Marie covers perennials flowers grown from bulbs herbs shrubs and small trees vines edible flowers and herbs for flower borders. A section of full-color photos captures these beautiful plants and flowers in all their vibrant glory. Charming pen and ink illustrations are sprinkled throughout the text. Marie discusses the edible and medicinal properties of various plants there's even a quick tip or two as well as coastal considerations such as salt tolerance environmental issues such as pesticide use beneficial insects and exotic invasives and gardening for birds and butterflies. She also offers her musings on the seasons in Florida and how she spends her time in the garden during each phase of the year. Whether you're seasoned gardener like Marie or a tentative beginner just starting out with a windowsill herb garden this delightful book will make you appreciate the dirt under your fingernails.

Enjoying the Song of Appearance: An Psychological Symphony within **Gulf Coast Gardening**

In a world used by displays and the ceaseless chatter of immediate connection, the melodic splendor and mental symphony created by the published word often diminish in to the back ground, eclipsed by the constant noise and disturbances that permeate our lives.
