**The Publishers' Circular and Booksellers' Record**, 1925     *First Editions of Nineteenth Century Authors* Charles Dana Burrage, 1859     **The Complete Poetical Works of Tennyson**, 1898     *The Publishers Weekly*, 1906     **British Books**, 1908     **The Oxford History of Literary Translation in English:** Peter France, Kenneth Haynes, 2006-02-23 In the one hundred and ten years covered by volume four of *The Oxford History of Literary Translation in English* what characterized translation was above all the move to encompass what Goethe called world literature This occurred paradoxically at a time when English literature is often seen as increasingly self sufficient In Europe the culture of Germany was a new source of inspiration as were the medieval literatures and the popular ballads of many lands from Spain to Serbia From the mid century the other literatures of the North both ancient and modern were extensively translated and the last third of the century saw the beginning of the Russian vogue Meanwhile as the British presence in the East was consolidated translation helped readers to take possession of exotic non European cultures from Persian and Arabic to Sanskrit and Chinese The thirty five contributors bring an enormous range of expertise to the exploration of these new developments and of the fascinating debates which reopened old questions about the translator's task as the new literalism whether scholarly or experimental vied with established modes of translation The complex story unfolds in Britain and its empire but also in the United States involving not just translators publishers and readers but also institutions such as the universities and the periodical press Nineteenth century English literature emerges as more open to the foreign than has been recognized before with far reaching effects on its orientation     *Publishers' Circular and Booksellers' Record of British and Foreign Literature*, 1895     *A General Catalogue of Books* Bernard Quaritch, 1874     **Bernard Quaritch** Bernard Quaritch (Firm), 1872     *The Publisher*, 1908     *Iran and The West* Cyrus Ghani, 2013-09-05 First Published in 1987 this volume offers a bibliography of biographies autobiographies and books on contemporary politics by prominent 20th century figures on the topic of Iran     *Subject Index of Books Added 1894-1903* National Library of Ireland, 1926     *The Oxford Guide to Literature in English Translation* Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between

versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

**The First Book of Jewish Jokes** Elliott Oring,2018-09-04 Works on Jewish humor and Jewish jokes abound today but what formed the basis for our contemporary notions of Jewish jokes How and when did these perceptions develop In this groundbreaking study and translation noted humor and folklore scholar Elliott Oring introduces us to the joke collections of Lippmann Moses B schenthal an enlightened rabbi and an unknown author writing as Judas Ascher Originally published in German in 1812 and 1810 these books include jokes and anecdotes that play on stereotypes The jokes depict Jews dealing with Gentiles who are bent on their conversion Jews encountering government officials and institutions newly propertied Jews attempting to demonstrate their acquisition of artistic and philosophical knowledge and Jews engaged in trade and moneylending often with the aim to defraud In these jokes we see the antecedents of modern Jewish humor and in B schenthal s brief introduction we find perhaps the earliest theory of the Jewish joke Oring provides helpful annotations for the jokes and contextualizing essays that examine the current state of Jewish joke scholarship and the situation of the Jews in France and Germany leading up to the periods when the two collections were published Intended to stimulate the search for even earlier examples Oring challenges us to confront the Jewish joke from a genuine historical perspective
