**Gullible's Travels** Marvin Kitman, 2020-05-26 How to have fun hating Trump Kitman describes the land of Gulliblesylvania as a democratic country ruled by 34.9% of the people a minority better known as the base of whom a candidate said he could shoot someone on Fifth Avenue and they would still vote for him At first Kitman assumed that Trump's candidacy was a publicity stunt After he realized it was serious as a satirist he felt very lucky and began to keep a comical journal modeled after A Journal of the Plague Year which Daniel Defoe described as Observations of the most remarkable occurrence which happened in London during the last great visitation in 1665 which is not to compare the Trump administration to the bubonic plague Kitman hastens to add For one thing as our POTUS has been telling us he's made America Great again AND IT ONLY TOOK A YEAR AND A HALF Kitman adds And I have never before had such a good time observing and writing about the follies of our country Gullible's Travels includes 32 Trumponicles the debate over the president's intellectual capacity That Russian Thing Who is Agent Orange and a CODA that

**Gullible's Travels (1917)** Ring Lardner,2016-04-03 This early work by Ring Lardner was originally published in 1918 and we are now republishing it with a brand new introduction Ring Lardner was born in Niles Michigan in 1885 He studied engineering at the Armour Institute of Technology in Chicago but did not complete his first semester In 1907 Lardner obtained his first job as journalist with the South Bend Times Six years later he published his first successful book You Know Me Al an epistolary novel written in the form of letters by Jack Keefe a bush league baseball player to a friend back home A huge hit the book earned the appreciation of Virginia Woolf and others Lardner went on to write such well known short stories as Haircut Some Like Them Cold The Golden Honeymoon Alibi Ike and A Day with Conrad Green *Gullible's Travels to the Panama-Pacific International Exposition* Mollie Slater Merrill,1915 **Gullible Travels** Ronnie

Bermann,2015-03-20 I felt the need to along with the photographs keep a day to day journal because in that way it would be something that I could look back on and remember and reminisce about whenever I wanted to And having the pictures in a large frame instead of in an album that no one would look at The truly incredible people I met things I did saw and was able to have been privileged to be a part of by luck or good timing And there were some really great moments Especially the baseball journal **Gullible's Travels** David Random,2022-04-19 Gullible s Travels didn t start out to be a book of short stories It started out simply as my childhood I didn t know at the time that my trusting and gullible nature would lead to such interesting narratives It just turned out that way My naivete colored my perceptions my beliefs and my reality and my behavior was determined by what I thought I know and what I chose to believe Ordinary everyday events when reconsidered become reminders of my childish sensibility But all kids are a little gullible right Okay show of hands How many of you once

believed that Fid Newtons were filled with ear wax Just me Alright then how many of you thought there was an evil force lurking behind the TV test patter Anyone How about derailing a freight train by placing a penny on the tracks Am I the only kid who believed everything he was told My entire childhood it seems was characterized by an eager and enthusiastic acceptance of outlandish hearsay deliberately deceptive claims and assorted urban legends In sharing these stories I am heartened to learn that baby boomers like myself are reminded of their own childhoods while younger readers are sometimes surprised to learn about how things used to be way back when So if you d like to hear about a childhood that was slightly out of touch with reality told often in the voice of the child who was there let him tell you the one about Sleeping with the dead The Christmas gift of a used douche bag Why I hate dancing lessons My cunning plan to see through people s clothing The family soup recipe that made me blind *Gullible's Travels* Cash Peters,2003 Fans of Cash Peters Bad Taste Tours on public radio will hail this outrageously funny collection of essays about his experiences traveling to and reporting on the most bizarre and tacky tourist attractions across the United States *Gullible's Travels etc.* Ring Lardner,2024-05-07 Join the whimsical journey of Gullible an everyman whose misadventures and sharp wit offer a satirical lens on early 20th century American life In *Gullible s Travels etc* by Ring Lardner readers are treated to a series of humorous and poignant vignettes that explore the absurdities of human nature and societal norms Lardner s masterful storytelling and keen observations make this a timeless classic resonating with contemporary readers through its exploration of themes such as the folly of blind trust the pitfalls of ambition and the enduring quest for authenticity in a world rife with pretense This book remains a relevant and entertaining critique of the quirks and contradictions that define our shared human experience *Gullible's Travels* David Random,Liz Mitten Ryan,2007-02-28 **Gullible's Travels** Matthew Hughes,Copyright Paperback Collection (Library of Congress),2001 *Gullible's Travels* Billy Connolly,1982 *The Publishers Weekly* ,1924 *Travel Literature and the Evolution of the Novel* Percy G. Adams,2014-07-15 Although much has been written about how the novel relates to the epic the drama or autobiography no one has clearly analyzed the complex connections between prose fiction as it evolved before 1800 and the literature of travel which by that date had a long and colorful history Percy Adams skilfully portrays the emergence of the novel in the fiction of the seventeenth and eighteenth centuries and traces in rich detail the history of travel literature from its beginnings to the time of James Cook contemporary of Richardson and Fielding And since the recit de voyage and the novel were then so international he deals throughout with all the literatures of Western Europe one of the book s chief themes being the close literary ties among European nations Equally important in the present study is its demonstration that just as early travel accounts were often a combination of reporting and fabrication so prose fiction is not a dichotomy to be divided into the adult novel on the one hand and the childish romance on the other but an ambivalence the marriage of realism and romanticism *Travel Literature and the Evolution of the Novel* not only shows the novel to be amorphous and changing it also proves impossible the task of defining the recit de voyage with its thousand forms and faces

Often the two types of literature are almost indistinguishable even before Don Quixote Adams writes many travel accounts could have been advertised as having the endless fascination of a wonderfully observed novel This study by Percy Adams will both modify opinions about the novel and its history and provide an excellent introduction to the travel account a form of literature too little known to students of belles lettres
