## Gun Lust:

*Gun Country* Andrew C. McKevitt, 2023-09-18 Just as World War II transformed the United States into a global military and economic superpower so too did it forge the gun country America is today After 1945 war ravaged European nations possessed large surpluses of mass produced weapons and American entrepreneurs seized the opportunity to buy used munitions for pennies on the dollar and resell them stateside A booming consumer market made cheap guns accessible to millions of Americans and rates of gun ownership and violence began to climb Andrew C McKevitt tells the history of this gun boom through the dynamics of consumer capitalism and Cold War ideology the combination of which resulted in a vast number of Americans arming themselves to the teeth and centering their political identity on their guns When gun control legislation emerged in the 1960s many Americans accustomed to the unregulated postwar bounty of cheap guns and fearful of Soviet invasion domestic subversion and urban uprisings fiercely challenged it Meanwhile gun control groups were diverted from their abolitionist roots toward a conciliatory fundraising focused strategy that struggled to limit the stockpiling of firearms *Gun Country* recasts the story of guns in postwar America as one of Cold War and racial anxieties unfettered capitalism and exceptional violence that continues to haunt us to this day

*Guns in America* Jan E. Dizard, Robert Muth, Stephen P. *A Grouse Hunter's Almanac* Mark Parman, 2010-09-18 Like that earlier grouse hunter Aldo Leopold Mark Parman takes to the woods when the aspens are smoky gold Here in an evocative almanac that

chronicles the early season of the grouse hunt through its end in the snows of January Parman follows his dog through the changing trees and foliage thrills to the sudden flush of beating wings and holds a bird in hand thankful for the meal it will provide Distilling twenty seasons of grouse hunting into these essays he writes of old dogs and gun lust cover and clear cutting climate change companions male and female wildlife art and stumps A Grouse Hunter's Almanac delves into the mind of a hunter exploring the Northwoods with an eye for more than just game

**From God's Lips to the Devil's Ear** Damien M Shindelman, 2012-01-05 From God's Lips to the Devil's Ear chronicles the life of a power starved maniacal madman named Abraham who manipulates his way into a powerful position within the Mormon Church Using the heaven sent psychic messages of a young child named Zechariah Abraham plots to control the Church and the entire world Abraham will stop at nothing to attain his all consuming desires and through Zechariah's holy words Abraham soon controls what is left of our ravaged planet In this day of ideological terrorism From God's Lips to the Devil's Ear will both beguile your senses and make you reflect on man's history and the abuse of power From God's Lips to the Devil's Ear is a powerful saga that portrays a world gone mad where mankind's future is held in the manipulating clutches of a raving and insane tyrant
