Gun Trucks:

Vietnam Gun Trucks Gordon L. Rottman, 2011-09-20 While Vietnam is usually perceived as an infantry war with US forces deploying by helicopter the long supply lines that led to their inland bases had to be traveled by ground vehicles The 8th and 48th Transportation Groups were responsible for hauling supplies through the long dangerous roads of Vietnam and they often found themselves the target of ambushes attacks and sniping In response to this vehicle crews began to arm trucks with machine guns and armour them with sandbags While these proved less than ideal the concept was considered valid and more and more gun trucks appeared sporting heavier weapons and armor Written by a Vietnam veteran this book traces the development of these gun trucks from the jury rigged originals to the powerful armoured vehicles that appeared later in the war

The Hard Ride Vietnam Gun Trucks; Part Two Rhame House Publishers, 2011-05-31 This book written by James Lyles a former Vietnam gun truck commander is an authoritative reference on a number of special hybrid vehicles called Vietnam gun trucks and the extraordinary crews who manned them During their 5 year history from late 1967 thru late 1972 Vietnam gun trucks were without a doubt the most important wheeled vehicles to see duty in Vietnam They were mainly used for convoy security and installation perimeter defense but were also used in other roles It was originally thought that only 150 of these vehicles existed but the book now includes a list of over 350 gun truck names and rare photos of nearly 300 different guntrucks Part Two includes almost 100 pages of COLOR photos of irregular gun trucks eyewitness accounts and humorous gun truck related short stories

price while supplies last Presents fifteen papers from the 2007 Conference of Army Historians Examines irregular warfare in a wide and diverse range of circumstances and eras The papers selected for this publication are not only the best of those presented but they also examine irregular warfare in a wide and diverse range of circumstances and eras Together they demonstrate how extremism was intimately connected to this type of warfare and how Americans have at different times in their history found themselves acting as insurgents counterinsurgents or both The titles of the papers themselves reflect how often the U S Army has engaged in such irregular operations despite a formal focus on conventional warfare Using imperial British and Italian examples several presentations also underline how the ease of conquering lands is often no indication of the level of effort required to pacify them and integrate them into a larger whole Historians especially military historians strategic military analysts and students pursuing introduction to defense history or military science classes may be interested in this volume

Convoy Conspiracy Robert P. Schoch Jr.,2012-01-18 This first story is about the historic missions done by Combat Airmen in Iraq during Operation Iraqi Freedom II in 2004 These Airmen went into Iraq untrained under the control of the U S Army for the first time since WW II However they persevered and overcame the many barriers they were constantly faced with in a war ravaged country Although these Airmen felt as if they were at times abandoned by both branches of military they were called to serve they pulled together and fought for each other in hopes of returning home to their country and loved ones

Convoy Ambush Case Studies Richard E. Killblane,2014-08-15 When the enemy adopts a policy to attack convoys truck drivers become front line troops Convoy commanders must then become tacticians How to study war The student of tactics studies previous fights and mentally places himself in the position of the participants Knowing what they knew how would he have reacted In hind sight what was the best course of action remembering that there is no one perfect solution Any number of actions would have succeeded The tactician must learn what would have worked best for him For this reason I have pulled together all the examples of convoy ambushes The 20th century Vietnam War and current war in Iraq provide a wealth of examples of convoy ambushes from which to study Unfortunately the US Army did not record many good accounts of ambushes during the Vietnam War Much of what is presented in this text is based upon oral interviews of the participants sometimes backed by official record citations or reports For this reason some of the ambush case studies present only the perspective of a crew member of a gun truck or the convoy commander Since this academic study works best when one mentally takes the place of one of the participants this view of the ambush serves a useful purpose After my own review of the ambushes I have drawn my own conclusion as to what principles apply to convoy ambushes

Headhunter Peter C. Svoboda,2021-10-01 An Army squadron of paratroopers share the story of their fifteen month deployment in Iraq in 2006 Selected in 2005 by the Army to be the first airborne reconnaissance squadron 5th Squadron 73rd Cavalry Regiment better known as 5 73 CAV was formed from 3rd Battalion 505th Parachute Infantry Regiment The members of the squadron were hand selected by the squadron command team

Lieutenant Colonel Poppas and Command Sergeant Major Edgar With just more than 400 paratroopers they were half the size of a full strength battalion and the smallest unit in the Panther Brigade The squadron deployed to eastern Diyala in August 2006 Despite their size they were tasked with an enormous mission and were given the largest area of operations within the brigade Appropriately for a unit known by the call sign of its CO Headhunter 5 73 would go on to pursue various terrorist factions including Al Qaeda in Iraq They got results and 5 73 was awarded the Presidential Unit Citation for launching the Turki Bowl campaign from November 2006 to January 2007 against insurgent groups in Diyala Province However the toll would be heavy the squadron lost twenty two paratroopers during the deployment Headhunter is a unique account of the War on Terror It s a soldier s story told by those very paratroopers who gallantly fought to tame Diyala Based on dozens of interviews conducted by the author the narrative describes the danger of combat the loss of comrades and the struggles of returning from a deployment The voice of the families left behind are also included describing the challenges they faced including the ultimate challenge grappling with the death of a loved one This book explores the human dimensions of loss and struggle and illustrates the sacrifices our service members and their loved ones make Finalist 2020 Army Historical Foundation Distinguished Writing Awards Praise for Headhunter A gut punch that pulls out the raw emotion of combat and the feelings of losing those closest to you If one is unfamiliar with war Headhunter will shock the senses ARMY Magazine A highly interesting and detailed account Journal of Counterterrorism Homeland Security International

The Pandemic D. Briggs,2022-05-23 The Pandemic is a fiction book of short stories that will take you through a firsthand account of a what if worst case scenario pandemic that was released into the world The Zirus virus that kills its host to a vaccine that mutates within you and you become something else The book moves through various times and locations from a cop in northern New Hampshire to a soldier down in Columbia South Carolina going from the very start of the pandemic to a postapocalyptic time well beyond the virus into the zombie infested cities and towns Each short story is intertwined in a way that works with the other stories **Translog** ,2002 **Skyhook** R. Carel Byrd,2021-08-30 The book is based on his experiences during his tours Written to give a different view of the war bottom up as opposed to top down and maybe give some insight to the little things that make war unpleasant The lack of sleep and dreams made this book important to him His desires are for readers to have the opportunity to read his story from his own views and beliefs and develop their own opinions Journal of the United States Artillery ,1931 Battle for Baqubah First Sergeant Robert S. Colella, Ret.,2012-04-12 The Battle for Baqubah Killing Our Way Out is a firsthand account and sometimes a minute by minute tale of a raw in your face street fight with Al Qaeda militants over a fifteen month span in the volatile Diyala Province of Iraq This story is presented through the eyes of a first sergeant serving with B Company 1 12 Cavalry Bonecrushers 1st Cavalry Division out of Fort Hood Texas The author takes the reader into the midst of the conflict in and around Baqubah Iraq s City of Death a campaign that lasted most of 2007 The author and his fellow Bonecrushers watched as the city went from sectarian fighting amongst the Shiite and Sunnis to an all out jihad against the undermanned and dangerously dispersed US forces within Baqubah and the outlying areas

Gun Trucks Introduction

In today's digital age, the availability of Gun Trucks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gun Trucks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gun Trucks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gun Trucks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gun Trucks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gun Trucks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gun Trucks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gun Trucks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gun Trucks books and manuals for download and embark on your journey of knowledge?
