Gunbuster Vol 1:

The Art of Studio Gainax Dani Cavallaro, 2015-01-27 Formed by a small group of university students in the early 1980s Studio Gainax is now one of the most adventurous and widely esteemed anime companies on the scene And it is fascinating for its unique approach to animation Formal experimentation genre straddling self reflexivity unpredictable plot twists a gourmet palate for stylishness proverbially controversial endings and a singularly iconoclastic worldview are some of the hallmarks This documentation of the studio s achievements provides a critical overview of both the company and its films in depth examinations of particular titles that best represent the company s overall work including television series such as Nadia The Secret of Blue Water and Neon Genesis Evangelion and feature films such as Royal Space Force The Wings of Honneamise and Gunbuster vs Diebuster Each chapter highlights the contribution made by a specific production to the company s progress *Bowker's Complete Video Directory 1996* R R Bowker Publishing, 1996 **Oh My Goddess!**

Volume 1 Kosuke Fujishima, 2014-09-24 Alone in his dorm on a Saturday night Nekomi Tech s Keiichi Morisato dials a wrong number that will change his life forever reaching the Goddess Technical Help Line Granted one wish by the charming young goddess Belldandy a wish for anything in the world Keiichi wishes she would stay with him always Complications are bound to ensue from this the immediate first being the new couple getting tossed out of the dorm it s males only As the hapless student and his mysterious foreign beauty ride around looking for a new place to stay risking the different dangers of seeking shelter with an otaku convinced Belldandy is an imaginary woman and a Zen priest convinced she s a sinister witch Keiichi s still got his classes on Monday morning How is his new exchange student companion going to be received on the N I T campus A little too well for normal life to ever return **Video Source Book** Gale Group, 1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction The Complete Anime Guide Trish Ledoux, Doug Ranney, 1997 The one stop reference to Japanese animation Everything you ever wanted to know about anime in America More than 1 200 home video titles an alphabetical listing of ever domestic anime home video available during 1996 including video sleeve reproduction program synopsis production credits technical notes and content advisory Television series a review of most of the Japanese animated TV series broadcast in the U S including synopsis cast of characters and production credits Anime suppliers Fan Resources Anime genres **Anime** Rayna Denison, 2015-10-22 Anime A Critical Introduction maps the genres that have thrived within Japanese animation culture and shows how a wide range of commentators have made sense of anime through discussions of its generic landscape From the battling robots that define the mecha genre through to Studio Ghibli s dominant genre brand of plucky shojo young girl characters this book charts the rise of anime as a globally significant category of animation It further thinks through the differences between anime s local and global genres from the less considered niches like nichijo kei everyday style anime through to the global popularity of science fiction anime

this book tackles the tensions between the markets and audiences for anime texts Anime is consequently understood in this book as a complex cultural phenomenon not simply a genre but as an always shifting and changing set of texts Its inherent changeability makes anime an ideal contender for global dissemination as it can be easily re edited translated and then newly understood as it moves through the world s animation markets As such Anime A Critical Introduction explores anime through a range of debates that have emerged around its key film texts through discussions of animation and violence through debates about the cyborg and through the differences between local and global understandings of anime products Anime A Critical Introduction uses these debates to frame a different kind of understanding of anime one rooted in contexts rather than just texts In this way Anime A Critical Introduction works to create a space in which we can rethink the meanings of anime as it travels around the world
