Gunfire-graffiti Matt Seiber, 2012 In this remarkable book author Matt Seiber examines the phenomenon of hidden gun crime in the UK Gunfire graffiti is Seiber's term for wanton gunfire damage to roadside structures traffic signs notices warning signs and similar targets His investigation

reveals that such shootings are not juvenile pranks but a regular activity thought to be mainly the work of determined individuals unlawfully using firearms shotguns handguns and rifles including lethal high velocity weapons Emphasizing the perils of unchecked gun use in public places he also demonstrates how the police authorities and media have sought to minimize or ignore the issue Stressing the threat to public safety and the dangers involved Seiber sets out to enquire Where Who When and Why Given the criminality involved in such events and the malevolent nature of covert gun use he questions how it is that gunfire damage is being deliberately overlooked by the authorities Seiber s concerns are backed by academic research and the views of a leading criminal psychologist Indeed Gunfire Graffiti raises fundamental questions concerning the extent to which the unlawful acquisition and use of firearms exist in the UK the assumption being that the greater part of roadside gunfire damage is unlikely to be the work of unlicensed or other irresponsible gun users *Hearings, Reports and Prints of the Senate Committee on Armed Services* United States. ingested a fatal dose of Milk of the Earth before he took the mission There s no going back The clock is now ticking Mikasa makes a quick visit to the Temple of the Queen of Solitude for afterlife guidance But he runs into a terrifying new reality instead On the run and armed with the Broken Sword of Daudane he heads south with the resolution of a hungry beast But he also carries an even darker secret that will threaten to derail his last mission at every turn And if he cannot control the mounting issues of a slow agonizing death or temper his thirst for bloody revenge the fallout will not only be his untimely departure from the world of the living but that of the millions more he leaves behind FOR MORE INFORMATION visit the author s website at seanbela.com      **Warrior Spirit Running to the Sound of Gunfire** Jim Keen,2002 Stories of a Special Forces Operator from Grenada to the Middle East to the former Yugoslavia Based on the author s true life story that of a Special Forces soldier and written from a Christian prospective      *Forthcoming Books* Rose Arny,2004      Fire Control Technician 3 United States.
