Talk to Me, James Dean H. Lee Barnes, 2003-01-10 These stories are best described as rites of passage The rest are tales of people at crossroads seekers and troubled souls finding compassion in themselves or others or for some finding it nowhere The stories emerge out of the writer's life long love affair with the Southwest where he grew up and in which he's lived his adult life In the backdrop of the stories is the landscape of the harsh urban world of the desert Southwest These are tough honest stories about believable people and situations stories true to the environment that created them This is his fourth book Talk To Me James Dean is a vividly presented collection of individual gems which are showcased under one cover and engagingly entertaining quite thought provoking and very highly recommended reading H Lee Barnes is one of those rare authors who seems able to touch the minds invoke the emotions and stroke the imaginations of his readers with a quite remarkable consistency from beginning to end Midwest Book Review

Homefront Victoria Kelly, 2024-01-30 Inspired by Victoria Kelly's experiences as the wife of a fighter pilot during three wartime deployments this collection follows women whose lives have been impacted by war and military service as they struggle with their fragile ideas of home In *Prayers of an American Wife* a Navy wife grapples with loneliness when she discovers that her neighbor also a Navy wife is having an affair while their husbands are deployed on the same aircraft carrier Tensions rise in *The Strangers of Dubai* as a soldier on leave tries to buy his wife a souvenir from an Afghan vendor After attending eight funerals with fellow military wives whose husbands died in the Iraq war the protagonist in *Finding the Good Light* divorces her Navy husband and tries to start a new life as a movie star These along with the eleven other stories in this collection explore the emotional landscape of the resilient women who remain on the homefront Kelly's stories offer readers an intimate eye opening look into the sacrifices and steadfastness of military family members
