Guns And Boyhood In America A Memoir Of Growing Up In The 50s:

Guns and Boyhood in America Jonathan Holden, 1997 America the beautiful baseball summer camp and homophobia
Hunger for the Wild Michael L. Johnson, 2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state of mind Michael L Johnson considers how that obsession originated how it has determined attitudes toward and activities in the West and how it has changed over the centuries **Cold War American Literature and the Rise of Youth Culture** Denis Jonnes, 2014-09-04 Demands placed on many young Americans as a result of the Cold War give rise to an increasingly age segregated society This separation allowed adolescents and young adults to begin to formulate an identity distinct from previous generations and was a significant factor in their widespread rejection of contemporary American society This study traces the emergence of a distinctive post war family dynamic between parent and adolescent or already adult child In depth readings of individual writers such as Arthur Miller William Styron J D Salinger Tennessee Williams Vladimir Nabokov Jack Kerouac Flannery O Connor and Sylvia Plath situate their work in relation to the Cold War and suggest how the figuring of adolescents and young people reflected and contributed to an empowerment of American youth This book is a superb research tool for any student or academic with an interest in youth culture cultural studies American studies cold war studies twentieth century American literature history of the family and age studies **Best of Prairie Schooner** Hilda Raz, Kate Flaherty, 2000-01-01 Gathers notable essays by sixteen poets novelists and critics of Prairie Schooner who explore personal memories of planting season fishing homecoming death and homosexuality
Turning Bones Lee Martin, 2003-01-01 Using scant historical and personal records as a starting place the author recreates the lives of his great grandparents farmers who traveled West to settle in Illinois reconstructing six generations of family history in the process Biography **The Measured Word** Kurt Brown, 2001 Though the interests of science and art frequently seem to inhabit opposite poles The Measured Word assembles a brilliant anthology of twelve essays that illumine the historic and newly emerging relationships between the poetic and scientific imaginations Assembling the writings of leading contemporary poets essayists and thinkers Kurt Brown highlights ways in which poets use scientific discoveries and mathematical ideas to their artistic advantage and offers insight on the recently apparent integration of technology and other discoveries into the postmodernist poetry Here are meditations on the similarities and differences between the poetic and scientific imagination on the poetic use of fractals on hypertext on the changing shape of poetry in the scientific age Commentary by Czech poet and immunologist Miroslav Holub Paul Lake Alison Hawthorne Deming Alice Fulton Forrest Gander and Stephanie Strickland among others presents a diverse selection of opinions These viewpoints are complemented by many careful innovative readings of individual poems informed by the sciences The writings in this collection not only celebrate the advent of a new age of discovery but also identify the need for a revision of the western thinking that separates the mind and the heart replacing division with the reciprocity of mutual communication **Library Journal** , 2004 Includes

Stearns,2025-09-18 The American Child is an essential history that recounts changes in American childhood This authoritative book challenges the view that the problems facing today s kids are simply the product of social media video games the internet the breakdown of the family and the decline of marriage instead showcasing larger changes in the American economy and culture and the relationship between society and government after World War II **British Autobiographies** William Matthews,2023-04-28 British Autobiographies An Annotated Bibliography of British Autobiographies Published or Written Before 1951 compiled by William Matthews is an essential resource for scholars researchers and anyone interested in personal narratives Spanning four centuries this extensive bibliography catalogs a wide range of autobiographical works capturing the voices of individuals from all walks of life From statesmen and soldiers to artists explorers and even everyday people these entries offer a window into the diverse experiences that shaped British history and culture Matthews and his team meticulously gathered these works from major libraries across the United States the United Kingdom and other locations ensuring a comprehensive collection that sheds light on both famous and lesser known autobiographical voices This bibliography is not only a valuable tool for literary scholars studying the evolution of autobiographical writing but also for historians psychologists and social scientists interested in understanding personal accounts of significant historical events and societal shifts Matthews work opens up

new possibilities for exploring the autobiographical genre as a reflection of both individual lives and broader cultural trends With its rich diversity of subjects and detailed annotations *British Autobiographies* serves as a vital reference for anyone researching the personal dimensions of British history This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1955 *Prisoner of Her Past* Howard Reich,2011-09-30 Normal 0 false false false EN US X NONE X NONE Until February 15 2001 Howard Reich's mother Sonia had managed to keep from her son almost everything about her experience of the Holocaust That night she packed some clothes and fled her house in Skokie Illinois convinced that someone was trying to kill her This was the first indication that she was suffering from late onset Post Traumatic Stress Disorder a condition more often associated with veterans returning from combat or others not far removed from traumatic events For Howard it was also the opening of a window onto his mother's past In *Prisoner of Her Past* Howard Reich has written a moving memoir about growing up as the child of Holocaust survivors and finding refuge from silence and fear in the world of jazz It is only when Sonia's memories overwhelm her and Howard begins to piece together her story that he comes to understand how his parents' lives shaped his own **The Publishers Weekly** ,1972 **Innocent Weapons** Margaret Peacock,2014-08-25 In the 1950s and 1960s images of children appeared everywhere from movies to milk cartons their smiling faces used to sell everything including war In this provocative book Margaret Peacock offers an original account of how Soviet and American leaders used emotionally charged images of children in an attempt to create popular support for their policies at home and abroad Groups on either side of the Iron Curtain pushed visions of endangered abandoned and segregated children to indict the enemy's state and its policies Though the Cold War is often characterized as an ideological divide between the capitalist West and the communist East Peacock demonstrates a deep symmetry in how Soviet and American propagandists mobilized similar images to similar ends despite their differences Based on extensive research spanning fourteen archives and three countries Peacock tells a new story of the Cold War seeing the conflict not simply as a divide between East and West but as a struggle between the producers of culture and their target audiences

The Top Books of the Year Guns And Boyhood In America A Memoir Of Growing Up In The 50s The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
