

Guns In American Life

William Briggs

Guns In American Life:

Guns in American Life Jervis Anderson, 1984 **Firearms & Violence in American Life** George D. Newton, Franklin E. Zimring, United States. National Commission on the Causes and Prevention of Violence, 1969 **Guns in American Society** Gregg Lee Carter, 2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of *Guns in American Society* An Encyclopedia of History Politics Culture and the Law was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of *Guns in American Society* is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters *America and Its Guns* James E. Atwood, 2012-06-01 James Atwood contends that the thirty thousand gun deaths America suffers every year cannot be understood apart from our national myth that God has appointed America as the trustee of the civilization of the world and even Christ's light to the nations Because these purposes are noble and we are supposedly a good and trustworthy people violence is sometimes required and gives license to individuals to carry open or concealed weapons which save lives and can even be redemptive Atwood an avid hunter cautions that an absolute trust in guns and violence morphs easily into idolatry Having spent thirty six years as a Presbyterian pastor fighting against the easy access to firearms one of which took the life of a friend he uses his unique experience and his biblical and theological understanding to graphically portray the impact guns have on our society He documents how Americans have been deceived into believing that the tools of violence whether they take the form of advanced military technology or a handgun in the bedside stand will provide security He closes with a wake up call to the faith community which he says is America's best hope to unmask the extremism of the Gun Empire *Guys and Guns Amok* Douglas Kellner, 2015-12-03 From the recent shootings at Virginia Tech University to the tragedies at Columbine and Oklahoma City certain common traits can be traced through all of these events In *Guys and Guns Amok* media and cultural critic Douglas Kellner provides a fascinating diagnostic reading of these acts of domestic terrorism Skillfully connecting each case with the current environment for male socialization and the search for identity in an American culture obsessed with guns and militarism Kellner's work is a sobering reflection on these tragedies and the pervasive power of media and popular culture as

well as a wake up call for the future **Guns and Values** Dylan S. McLean,Anthony K. Fleming,2023-07-24 The American gun control debate is best understood as a battle in a war over the influence of individualism on American culture politics and policy This book demonstrates that the gun debate is fundamentally about values Specifically it is about what we value most private rights or the public good This helps explain why the technical empirical or legalistic arguments we hear aren't persuasive A review of scholarly literature on both the politics of gun control and American political culture finds an American bias toward an individualism that embraces personal rights We argue that this bias stacks the deck against gun control Interviews we conducted with activists show that support for or opposition to gun control is linked to concern for the public or private good Finally we trace the federal gun control debate in Washington from the 1960s to 2010s to show the ebbs and flows of individualism's influence **After Gun Violence** Craig Rood,2019-05-20 Mass shootings have become the new normal in American life The same can be said for the public debate that follows a shooting blame is cast political postures are assumed but no meaningful policy changes are enacted In *After Gun Violence* Craig Rood argues that this cycle is the result of a communication problem Without advocating for specific policies Rood examines how Americans talk about gun violence and suggests how we might discuss the issues more productively and move beyond our current tragic impasse Exploring the ways advocacy groups community leaders politicians and everyday citizens talk about gun violence Rood reveals how the gun debate is about far more than just guns He details the role of public memory in shaping the discourse showing how memories of the victims of gun violence the Second Amendment and race relations influence how gun policy is discussed In doing so Rood argues that forgetting and misremembering this history leads interest groups and public officials to entrenched positions and political failure and drives the public further apart Timely and innovative *After Gun Violence* advances our understanding of public discourse in an age of gridlock by illustrating how public deliberation and public memory shape and misshape one another It is a search to understand why public discourse fails and how we can do better

Stories of American Life and Adventure Edward Eggleston,1895 Edward Eggleston December 10 1837 September 3 1902 was an American historian and novelist Eggleston was born in Vevay Indiana to Joseph Cary Eggleston and Mary Jane Craig The author George Cary Eggleston was his brother As a child he was too ill to regularly attend school so his education was primarily provided by his father He was ordained as a Methodist minister in 1856 He wrote a number of tales some of which especially the Hoosier series attracted much attention Among these are *The Hoosier Schoolmaster* *The Hoosier Schoolboy* *The End of the World* *The Faith Doctor* and *Queer Stories for Boys and Girls* Eggleston was elected a member of the American Antiquarian Society in 1893 His boyhood home at Vevay known as the Edward and George Cary Eggleston House was listed on the National Register of Historic Places in 1973 His summer home Owl's Nest in Lake George New York eventually became his year round home Eggleston died there in 1902 at the age of 64 Owl's Nest was declared a National Historic Landmark in 1971 His daughter the writer Elizabeth Eggleston Seelye was married to Elwyn Seelye the founder of

the New York State Historical Association wikipedia org [How America Got Its Guns](#) William Briggs,2017-05-01 In the United States more than thirty thousand deaths each year can be attributed to firearms This book on the history of guns in America examines the Second Amendment and the laws and court cases it has spawned The author s thorough and objective account shows the complexities of the issue which are so often reduced to bumper sticker slogans and suggests ways in which gun violence in this country can be reduced Briggs profiles not only protagonists in the national gun debate but also ordinary people showing the ways guns have become part of the lives of many Americans Among them are gays and lesbians women competitive trapshooters people in the gun rights and gun control trenches the NRA s first female president and the most successful gunsmith in American history Balanced and painstakingly unbiased Briggs s account provides the background needed to follow gun politics in America and to understand the gun culture in which we are likely to live for the foreseeable future *Confronting Gun Violence in America* Thomas Gabor,2016-09-12 This book critically examines the link between guns and violence It weighs the value of guns for self protection against the adverse effects of gun ownership and carrying It also analyses the role of public opinion the Second Amendment to the US Constitution and the firearms industry and lobby in impeding efforts to prevent gun violence *Confronting Gun Violence in America* explores solutions to the gun violence problem in America a country where 90 people die from gunshot wounds every day The wide range of solutions assessed include a national gun licensing system universal background checks a ban on military style weapons better regulatory oversight of the gun industry the use of technologies such as the personalization of weapons child access prevention repealing laws that encourage violence changing violent norms preventing retaliatory violence and strategies to rebuild American communities This accessible and incisive book will be of great interest to students and researchers in criminology and sociology as well as practitioners and policy makers with an interest in gun ownership and violence *Gun Violence in America* Alexander DeConde,2003 An in depth analysis of the folklore surrounding gun use and the state of the debate in today s political climate **Guns of America: A Treasury of Custom Craftsmanship** Pasquale De Marco,2025-08-10 *Guns of America A Treasury of Custom Craftsmanship* is the definitive guide to the art of custom gunmaking in the United States This beautifully illustrated volume showcases the work of some of the most talented custom gunmakers in the country and it provides a comprehensive overview of the history techniques and materials used in custom gunmaking Whether you are a gun enthusiast a collector or simply someone who appreciates fine craftsmanship *Guns of America* is a must have for your library This book is the perfect way to learn about the art of custom gunmaking and to appreciate the beauty and precision of these finely crafted firearms *Guns of America* features Hundreds of stunning photographs of custom guns In depth interviews with some of the most renowned custom gunmakers in the country A comprehensive overview of the history techniques and materials used in custom gunmaking A guide to the different types of custom guns available Tips on how to choose and care for a custom gun *Guns of America* is the perfect book for anyone who

wants to learn more about the art of custom gunmaking This book is a valuable resource for gun enthusiasts collectors and anyone who appreciates fine craftsmanship If you like this book write a review **Gun Control** Kekla Magoon,2007-08-01 Discusses the controversial viewpoints regarding gun control **Gun Rights** Philip Wolny,2014-07-15 The gun rights issue has been among the most contentious debates since the founding of the United States This instructive volume offers close but comprehensible readings of the Second Amendment set against the backdrop of fluctuating social and political contexts Additionally it documents the evolution of arguments for and against the right to bear arms Readers will understand why this provocative issue has continued to rage in the courts and among politicians through the years and may do so for years to come **First They Came for the Gun Owners** Mark W. Smith,2019-10-29 Bestselling author and attorney Mark W Smith exposes the all encompassing nature of the anti gun lobby s attack on the right to keep and bear arms and how it serves as a proxy to empower government to control other important aspects of our lives Smith notes that it s no accident that the people who oppose the Second Amendment also argue for bigger government in other areas as well as favoring sharp limits on free speech and property rights Taken together it is an all encompassing attack on individual liberties by those who consider themselves intellectually and morally superior to average Americans Smith makes a compelling and urgent case that protecting and preserving our right to bear arms is an imperative for all who value freedom whether you own a gun or not

In Guns We Trust William J. Kole,2025-10-14 In this unsettling investigation into white evangelicals fusion of the gospel and guns veteran journalist William J Kole exposes how some Christians are standing in the way of reasonable restrictions on firearms and how it makes us all less safe On the evening that the bass player on his worship team casually showed him his handgun the author s world shifted In that moment Kole who was the AP s New England bureau chief when a gunman massacred twenty six people at Sandy Hook Elementary knew he had to figure out what was going on Why were white evangelicals more likely than other Americans to own a weapon What made them treat the Second Amendment as if it were God breathed And how did his own faith rooted in Jesus s call to turn the other cheek get hijacked In the pages of *In Guns We Trust* Kole looks at the unholy alliance between white evangelicals guns and politics Writing in the tradition of Tim Alberta and Kristin Kobes du Mez he takes us into sanctuaries where worshippers raise hands and pack heat to a rural church that does outreach through target practice with assault rifles and into the lucrative gun making industry in which evangelicals play an outsized role He introduces us to global Christians who can t imagine owning firearms and dissidents in the US who are working for change including activists beating guns into garden tools and nuns who bought company stock so they could sue a gun manufacturer Our nation is awash in more guns than citizens With meticulous research humanizing interviews and immersive narrative Kole pulls back the curtain on the locked and loaded Christianity that got us here Ignoring gun toting believers Kole argues means the violence will continue But when intentional conversation and faithful resistance bear fruit peace may yet prevail **Selling Sin** D. Kirk Davidson,2003-12-30 Marketing such controversial products as cigarettes

alcoholic beverages gambling casinos firearms and pornography entails a host of issues not faced by marketers working in industries that do not stir political or social opposition Davidson discusses the reasons for antagonism within each industry suggests ways for marketers to counter such criticism or to work around it given the restraints imposed and explains how specific marketing practices can actually lead to increased hostility in the marketplace This second edition features a new chapter on specific problems that each industry faces in online marketing which has exploded in certain cases especially in gambling and pornography In addition the new edition updates the legal environment in which each industry operates

Congressional Record United States. Congress,1996 **Mail Order Gun Control** United States. Congress. House. Committee on Post Office and Civil Service. Subcommittee on Postal Operations,1968 *The Politics of Gun Control* Robert J. Spitzer,2023-08-10 Since its initial publication this book has become the classic work on every important element of the tumultuous national gun debate in America This new edition brings together the latest developments and research in gun politics policy law history and criminology to provide a comprehensive and accessible source widely used by scholars journalists and in classrooms In this era of polarized politics this book provides a unique window into how and why that polarization drives our politics Among the new topics covered in this edition are the Bipartisan Safer Communities Act new Supreme Court protections for concealed carry permits and the impacts of the COVID 19 pandemic on gun violence and policy New to the Ninth Edition Examines current gun control legislation at both state and federal levels particularly the circumstances that lead to the passage of the Bipartisan Safer Communities Act in 2022 Introduces the new constitutional standards for gun control legislation set by the controversial pro Second Amendment Supreme Court ruling in *New York State Rifle Pistol Association v Bruen* 2022 Provides expanded and updated consideration on related issues including the rise of gun carry movements on college campuses attempts to regulate ghost guns bump stocks and guns with high capacity magazines 50 caliber sniper rifles and the impacts of the COVID 19 pandemic the January 6 Capitol Attack and the Black Lives Matter movement on contemporary gun control debates Tracks the financial political and legal crises that threaten the dominance of the National Rifle Association and examines the rise of new gun rights groups such as the National Association for Gun Rights Presents new and updated statistical research on gun ownership in America gun related fatalities public opinion support of red flag laws and other gun control measures Incorporates new pedagogical features of chapter summaries and discussion questions into each chapter
