West follows the life stories of a dozen actual pistols rifles and shotguns instrumental in shaping America's history using them as entrances into the lives of the shooters themselves This is a vivid portrait of famous Western characters paired with the guns they used to make themselves famous or as the case may be infamous It is a must for anyone interested in the history and lore of the Wild West gun hobbyists and tourists seeking a museum experience with a difference

**Outlaws and Gunslingers** Alton Pryor, 2001 Western outlaws terrorized the country during the late 1800s and early 1900s robbing stagecoaches banks trains and merchants While they were fearsome some became folk heroes and legends The killer of Jesse James was vilified as a coward while the man he killed was worshipped by man even though he had killed several men Billy the Kid's reputation outgrew his actual deeds Legend says he killed 21 men in his 21 year life time The actual number is believed to be five The west's fastest gun was not an outlaw He was an FBI agent called Jelly Bryce He could drop a coin from shoulder height draw and shoot it before it reached his waist

**Western Gunslingers in Fact and on Film** Buck Rainey, 2015-11-17 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people's lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies

*From the Vineyards of Hell* Harry Jay Thorn, 2017-04-06 When ex lawman Captain Joshua Beaufort late of Hood's Texas Brigade marches clear of the hell that was Gettysburg he has no intention whatsoever of any further engagement in the Civil War he has in his own words killed enough Yankees But the war has not finished with the Confederate captain and captured by Union troops he is given a choice help to end the war on their terms or spend the rest of it in a prisoner of war camp Colonel Horatio Vallance and the mysterious E J Allen persuade him it is in his best interests to cooperate with the North So in company with and under the watchful eye of young Corporal Benbow Beaufort returns to his home state of Texas to old loves old friends and old enemies His task to bring back the head of Buford Post a notorious warmonger and gunrunner who is in possession of 300 stolen Henry repeating rifles

**Bat Masterson** Robert K. DeArment, 2014-04-14 The colorful figures of the western American frontier the Indian fighters the mountain men the outlaws and the lawmen have been romanticized for more than a hundred years by writers who found it easier to invent history than the research it Bat Masterson was one such character who cast a long shadow across the pages of western history as it has been routinely depicted A legend in his own time he was called in a television series produced in the 1960's A legend he has become one firmly fixed in the popular imagination But in his own time W B Masterson was a man a less than perfect creature subject to the same temptations and vices as his fellows albeit one who through circumstance and

inclination led an exciting life in an exciting time and place As buffalo hunter army scout peace officer professional gambler sportsman promoter and newspaperman Masterson s career was stormy and eventful Surprising to many readers will be the account of Masterson s career after his peace officer days during his employment as a sports writer and columnist The gun toting western peace officer reputed to have killed more men than Billy the Kid not so says DeArment spent his last years happily in New York City writing for a nationally known newspaper This book the product of more than twenty years of research separates fact from fiction to extricate the story of his life from the legend that has enmeshed it It is the most complete biography of Bat Masterson ever written      **The Outing Magazine** ,1909
