Hurst, 2007-03-15 The Hollywood studios of the 1930s 40s and 50s were rarely concerned with film as an art form this was especially true of those specializing in the B film Of these Republic Pictures Corporation was the finest Their quality B action pictures and serials influenced the industry and the moviegoing public resulting in greater public acceptance The Republic's roster of talent included John Wayne Roy Rogers and Gene Autry and the serials it produced featured such iconic figures as Dick Tracy Captain America Zorro and The Lone Ranger In Republic Studios Between Poverty Row and the Majors author Richard Hurst documents the influence and significance of this major B studio Originally published in 1979 this book provides a brief overview of the studio's economic structure and charts its output Hurst examines the various genres represented by the studio including the comedies of Judy Canova and westerns featuring Autry Rogers and The Three Mesquiteers The book addresses the non series B films Republic produced as well as rare A films such as Wake of the Red Witch Sands of Iwo Jima and John Ford's The Quiet Man all of which starred John Wayne This new edition of Republic Studios with two additional expanded chapters on serials a new introduction and an epilogue brings the Republic story up to date This fascinating look at Republic chronicles the impact the studio had on American cultural history from the mid 1940s to the mid 1950s and examines the studio's role in Hollywood history and its demise in the late 50s Westerns Janet Walker, 2013-11-26 The cowboys and Indians sheriffs and outlaws schoolmarm and barkeeps of Western films have wholly transformed our ideas about the reality of the American frontier Westerns is the first book to consider seriously the historical meanings and functions of the Western film genre In Westerns leading scholars unpack the ways in which the form has embellished

mythologized and erased past events Contributors explore the mythic Wild West envisioned by Buffalo Bill Cody the revisionist aims of recent westerns like *Posse* *Lone Star* and *Dead Man* and how the genre addresses key issues of biography authenticity race and representation Included is an introduction by Janet Walker *Westerns and American Culture, 1930-1955* R. Philip Loy, 2015-10-05 Many people have fond memories of Friday nights and Saturday afternoons spent in theatres watching cowboy stars of the 1930s 1940s and 1950s chase villains across the silver screen or help a heroine out of harm's way Over 2 600 Westerns were produced between 1930 and 1955 and they became a defining part of American culture This work focuses on the idea that Westerns were one of the vehicles by which viewers learned the values and norms of a wide range of social relationships and behavior and thus examines the ways in which Western movies reflected American life and culture during this quarter century Chapters discuss such topics as the ways that Westerns included current events in film plot and dialogue reinforced the role of Christianity in American culture reflected the emergence of a strong central government and mirrored attitudes toward private enterprise Also covered is how Westerns represented racial minorities women and Indians

Growing Up on the Set Tom Goldrup, Jim Goldrup, 2015-10-06 Former child actor Paul Petersen once said Fame is a dangerous drug and should be kept out of the reach of children It is certainly true that many child actors have fallen prey to the dangers of fame and suffered for it later in life but others have used fame to their advantage and gone on to even more successful careers in adulthood This work is a compilation of interviews with 39 men and women who as children worked in the motion picture industry in Hollywood They all handled their childhood celebrity differently Lee Aaker Mary Badham Baby Peggy Sonny Bupp Ted Donaldson Edith Fellows Gary Gray Jimmy Hunt Eilene Janssen Marcia Mae Jones Sammy McKim Roger Mobley Gigi Perreau Jeanne Russell Frankie Thomas Beverly Washburn Johnny Whitaker and Jane Withers are among those interviewed They talk candidly about their experiences on and off the set the people they worked with and what they did after their careers ended The pros and cons of being a child actor and the effects that it had on them later in life are discussed at great length

REFLECTIONS OF A "B"- MOVIE JUNKIE Jim Driscoll, 2008-12-30 *Reflections Of A B Movie Junkie* is a tribute to the old B Movies of the Saturday Matinees of yesteryear Actually it is more of a homage to them or at least 6 genres of those film types that were so prevalent back in primarily the 40's and 50's Their research and discussion however in some instances dates all the way back to the beginning of the talkies of motion picture content and can extend in the other direction into the early 70s These 6 genres include the popular B Western The Comedy Teams The Jungle Adventures Sci Fi Fantasy Horror and the Serial or Chapter Plays so popular with

the week end Matinee crowds back then These film types filled up our Saturday afternoons and evenings with exciting adventure curious wonder spine tingling horror and non stop action Often filmed on a shoe string budget and in a limited time frame many of these classics came to be looked upon by many fans as being so truly bad that they were good in a bad sort of way They are thus categorized reviewed and discussed for the most part in a lovingly personal style especially when compared to the film types we are subjected to in today s market They had their place in film history and that time is long since gone But for some of us they have never been equaled which for others may indeed be a good thing

Westerns and the Trail of Tradition Barrie Hanfling, 2016-04-21 Over the past century the western has fluctuated in popularity By 2010 it has come to stand to the dismay of many at one of its lowest points Beginning with 1929 and the advent of talkies In Old Arizona the author discusses the cultural and industry trends the directors producers studios and especially the stars and looks at the ways in which their personalities and financial ups and downs affected the way westerns were shot The improvements in technology through the years the trick horses the fistfight choreography the evolution of plotlines these are fascinating indicators of the way Americans themselves were changing
