Eden Temptation:

The Origin and Formation of the Gospel Yoseop Ra, 2015-02-19 This book shows readers the nature of Christian faith by exploring how the gospel was originated, formed and developed. As author Yoseop Ra demonstrates, the Christian faith began to develop during the conflict between Paul and the Jerusalem apostles while the redemptive death of Jesus Christ on the cross, the core of the gospel, was made through theological interpretation and spiritual confession. *The Origin and Formation of the Gospel* offers new interpretations based on a profound analysis of sources. First, author Yoseop Ra shows Q to have been redacted four times. Second, he identifies the original form of the first Christian gospel and separates Paul's seven genuine epistles into sixteen letters. Finally, Ra offers an analysis of four Gospels and other writings to argue that the redemptive role of the cross was introduced as a breakthrough on the part of Paul to overcome the Jerusalem apostles identifying the kingdom of God as the garden of Eden.

The Wisdom Compass to Eternal Life Abel Gashe, 2011-07-14 This book is about how the living soul can attain eternal peace and hence eternal life as a living soul would yield it when abiding in the Lord Jesus Christ. Tapping the Lord's Prayer as the authorized spiritual vehicle to communicate with God, this book attests that the name of the Lord Jesus Christ is the foundation, the seal of salvation, and the bearing point to overcome the world. By showing the intrinsic relationship of the invisible with the manifested world, the heavenly and the earthly, this book lucidly defines why the soul should glorify God as an end to life's purpose while seeking righteousness and fulfilling the commandments. By presenting ground-breaking revelations about the spiritual realm and hence the living God through the spiritual compass, this book would help the reader to discern wisdom about how to worship the Lord in truth and spirit, to see the glimpse of eternal life and enjoy eternal peace not as the world offers it but as the Lord Jesus confers it on the living soul.

The Temptation of Jesus Alexander Morris Stewart, 1903 In setting forth this interpretation of our Lord's temptation in the wilderness, the writer's aim and method are very simple. The aim is so to read and use every indication in the Gospel narratives that the plain facts of them shall meet the reader's imagination and be readily related with his experience. The method of this interpretation is nothing else than the keeping in view of this double significance that of the facts on the one hand which concern our Lord and that of their narration on the other hand which sends them on to us. Temptations and Trials Faced by Bible Legends Michael Kotch, 2018-09-21 We all face temptations and trials in our lives and how we deal with these times can be defining moments in our lives So how do we choose the right thing instead of the easiest thing or the most pleasurable thing The best way for Christians to successfully respond to temptations and trials in their lives is to start with the Bible Temptations and Trials Faced by Bible Legends looks at temptations and trials that major characters of the Bible faced and author and psychologist Michael Kotch shows how these Bible legends tended to fall into one of three categories when faced with a major trial or temptation either they turned to God for guidance and did whatever God wanted them to do or they did not follow God with one group repenting for their disobedience and the other group simply continuing in the wrong direction In the end we can learn how doing what is right in God's eyes can be much different than doing what is right in our own and that the best outcomes follow from consulting with God God promises that we will never be tempted beyond our abilities and he will always provide us with a way out of our temptations and trials And for Christians when we read the Bible daily use it to create a plan of action and always do what is right according to God we can be confident in God's leadership as we develop a character in the image of Christ
