Joyce J. Morris Morris Joyce J., 2002 Joyce has revealed many healing technique in this book she has simplified the comprehension of reiki as a positive healing modify whose light is meant to bring balance to our world *A Seer Out of Season* Harmon H. Bro, Harmon Hartzell Bro, 1996-10-15 The gift of prophecy Millions worldwide have turned to the writings of Edgar Cayce for advice on holistic medicine and spiritual growth Hailed as the father of the New Age movement his works have been translated into dozens of languages and he has received outpourings of acclaim from individuals doctors and spiritual leaders around the globe *A Seer out of Season* Drawing from his experience as Cayce s longtime associate Dr Harmon Bro has written the first ever full length biography of the gifted spiritualist Long awaited by followers and skeptics alike this definitive intimate account tells the story of how an enigmatic Kentucky farm boy with no formal education became the soft spoken seer who inspired so many It is also the story of a man hounded by disbelievers who again and again branded him a charlatan only to walk away stunned by his power *Mystic Apprentice 5: Psychic Skills LPE* Ken Ludden, 2012-02-15 This volume of the *Mystic Apprentice* series gives the complete and detailed history of psychic phenomena It includes an explanation of all historic references of the occult in relation to world leaders from Alexander the Great to King Saul to Ronald Reagan all the way to Princess Diana **Reader of Hearts** Darrin Owens, 2006 Darrin Owens calls himself a

reluctant psychic because growing up in rural Arkansas he only wanted to fit in Darrin knew and experienced things that no one in his prosaic world was talking about especially not at the fundamentalist church he attended When he rented a movie based on Shirley MacLaine's *Out on a Limb* he discovered who and what he was A visit to a psychic who recognized his powers further opened his eyes to his own abilities and the spiritual journey that would be his destiny According to Darrin being a psychic isn't just about knowing things it is also a spiritual practice This lively entertaining book offers seven lessons of the spiritual path including spiritual awakening conscious creation attunement and inner guidance and relates stories from Darrin's life to illustrate them Each chapter addresses one of the lessons and includes exercises prayers guided meditations and affirmations By turns humorous and poignant the book offers wisdom and guidance for readers just discovering their spiritual connections and those already accomplished in psychic and spiritual skills **Reiki** Joyce J. Morris, William Morris, 1999-04-01 This introduction to Reiki outlines its history and the authors lineage to its tradition and principles Also covered are legal and ethical aspects of the treatment and examples of Reiki healing miracles Hand placements and before and after effects are illustrated Edgar Cayce Primer Herbert Puryear, 1982-09-01 Edgar Cayce A Seer Out of Season Harmon Hartzell Bro, 2011-06 Millions worldwide have turned to the readings of Edgar Cayce for advice on health and spiritual growth Drawing from his experience as Cayce's longtime associate Dr Bro has written a firsthand account in this full length biography of the gifted psychic HC A R E Press **America's Alternative Religions** Timothy Miller, 1995-07-01 This is a single volume source of reliable information on the most important alternative religions covering for each such essentials as history theology impact on the culture and current status The chapters of the book were written by experts who study the movements they have written about Edgar Cayce in Context K. Paul Johnson, 2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce's reliability in the subject areas emphasized by the readings Cayce's medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce's ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce's personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective **Stephen Lives** Anne Puryear, 1997-04 The author discusses the life of her son Stephen who committed suicide at the age of fifteen and relates messages she has received from him since his death telling her why he took his own life and offering hope to other people

who may be discouraged with their own lives Edgar Cayce: The "Sleeping" Medium & Spiritual Discernment John Weldon, 2013-02-09 Edgar Cayce 1877 1945 was one of the most famous trance mediums in the world and the best known psychic in America's history Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as the sleeping prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil's playground Ironically this is the very thing Cayce himself had worried about in reference to the Readings *God and Quantum Physics* C. Allan Boyles, 2021-01-25 Physics cannot show that a corporal godlike figure exists in the universe However the major religions of the world especially Christianity describe God as a spiritual energy and not corporal Quantum physics says there exists a universal energy that has the attributes of God This energy has consciousness and creativity All matter is composed of this energy This energy was responsible for the Big Bang Professor emeritus William Tiller a physicist at Stanford University has shown this energy can interact with human consciousness This book takes you through a non mathematical proof of the physics of these assertions **The Emerging Network** Michael York, 1995 The 1980s saw the emergence of New Age and neo paganism as major new religious movements In the first book length study of these movements Michael York describes their rituals and beliefs and examines the similarities differences and relationships between them He profiles particular groups including the Church Universal Triumphant Nordic pagans and the Covenant of Unitarian Pagans and questions the adequacy of existing sociological categories for describing these largely amorphous phenomena **It's Never Quite What You Think** Grace, 2013-11 It's Never Quite What You Think In mothering adopted four and six year old daughters from a foreign country the searing heartbreak of broken dreams compelled me to evaluate the layers of mass consciousness and societal conditioning about what everyone believes love is and what love should do Acquiring self knowledge is demonstrated as the way to release ancient beliefs and fears that perpetuate guilt self sacrificing superstition or long term suffering This includes any handed down text that promotes dependency on a force other than the God Mind mastery within each of us to create our own reality My own stumbles in parenting transform themselves into steps of liberation as my story evolves from the taboo of a mother who leaves her home into a message of freedom in the song that it sings Love is not held in the captivity of expectation like the birds it is free to go as it chooses
