**Mastering Your Spiritual Growth** Kevin Todeschi, 2023-10-15 What if God were completely loving the universe completely orderly and everything that transpired in life a purposeful experience chosen at some level by the soul for spiritual growth and soul development Such is the premise of Edgar Cayce on Mastering Your Spiritual Growth Drawing upon contemporary examples as well as historical case studies of individuals who received psychic guidance from Edgar Cayce this insightful volume examines the activities of soul growth and the process of personal transformation that will ultimately enable all individuals to transform themselves as well as society and the world at large For countless ages people have asked Who am I Why am I here And does my life have a purpose The answers to these questions were explored by thousands of individuals who came to famed psychic Edgar Cayce and they are answers that are just as applicable today The Cayce information contends that it is the inevitable destiny of every soul is to become cognizant of its true relationship to the Creator eventually achieving spiritual enlightenment in the process The ultimate truth is that we are spiritual beings having a physical experience living purposeful lives in a process of soul growth The keys to that process are working with a personal spiritual intent or ideal discovering our own approach to personal attunement and repeatedly working with personal application

Todeschi, 1998-01-27 The Akashic Records or Book of Life is the storehouse of all information for every individual who has ever lived upon the earth containing every word deed feeling thought and intent that has ever occurred This major work is about how each of us is very much in charge of shaping our own destiny Provides examples of how each of us can tap into our own past lives our present experiences and our unfolding futures to shape our own destiny Publisher's description *Sacred Journey* M.K. Welsch, 2016-02-01 Every person on this planet is on a sacred journey And that journey is about you Each moment of our lives spent on earth has profound meaning Yesterday tomorrow and perhaps most importantly TODAY The time has come to remember who we really are Welsch weaves together a beautiful true story of our souls our purpose and our potential with ideas drawn from famed psychic Edgar Cayce and supportive passages from the Bible This unique work offers a new expansive perspective on what it means to be a savior and the impact of the Christ spirit on our world It reveals Jesus the Master teacher as our elder brother who left behind the pattern souls could follow to fulfill our holy purpose for entering into the earth *Edgar Cayce on the Mysterious Essenes* John Van Auken, Ruben Miller, 2016-04-25 One of the most fascinating topics found in the readings of famed psychic Edgar Cayce 1877 1945 revealed

the existence of a sacred sect called the Essenes His information about the Essenes would later be confirmed by the discovery of the Dead Sea Scrolls two years after his death Cayce s readings contained more than a description of who the Essenes were and their purpose in bringing the Christ into the earth he gave us details about their lives and past lives Many of these Essenes reincarnated during Cayce s time and received readings that revealed their souls including their purposes then and now What can we learn from these readings and the reincarnation of the Essenes There is so much about our origin our soul group and the purpose for which we are here on earth today in this latest book that it is like having a manual for soul growth Ideals practices and guiding principles held by these ancient ones are as valuable to us today as they were then

Todeschi,2005-01-01 Edgar Cayce pronounced Kay Cee 1877 1945 has been called the sleeping prophet the father of holistic medicine and the most documented psychic of the 20th century For more than 40 years of his adult life Cayce gave psychic readings to thousands of seekers while in an unconscious state diagnosing illnesses and revealing lives lived in the past and prophecies yet to come But who exactly was Edgar Cayce and what were his psychic readings all about This booklet covers the life of Cayce as well as an overview of the topics covered in his more than 14 000 documented psychic readings and tips for working with studying and understanding those readings *Edgar Cayce on Soul Symbolism* Kevin J. Todeschi,2015-02-14 Edgar Cayce the most documented psychic of all time recommended exploring three tools for personal symbolism that would assist in personal growth and enlightenment Creating Life Seals Creating Aura Charts and Understanding the Book of Revelation From Cayce s perspective a Life Seal is a personal mandala that can be used as a tool for reflection a reminder of what she or he hopes to accomplish in life An Aura Chart is a visual depiction of an individual s unique Akashic Record and represents a soul s lessons attainments failures and developments over many lifetimes Cayce s unique approach to the Book of Revelation is that it is a symbolic exploration of archetypal images patterns and processes that correspond to the awakening of the Higher Self It depicts not an external process related to world events but instead an internal one that portrays the struggles that occur within each individual as spiritual development takes places and the basic lower nature of humankind evolves to its higher spiritual nature You will discover how these tools of symbolism can be used to cultivate your soul talents to accomplish your mission in life to overcome weaknesses to enhance your soul memory to remember your past lives and even as a means of personal attunement Edgar Cayce on Soul Symbolism presents timely information on how symbolism can be used to understand yourself and even your connection to the divine In addition the

volume contains examples of Life Seals and Aura Charts from the Cayce files as well as two dictionaries of symbols for your easy reference     The Study Group Readings Edgar Cayce, Hugh Cayce, 1977     **Edgar Cayce: The “Sleeping” Medium & Spiritual Discernment** John Weldon, 2013-02-09 Edgar Cayce 1877 1945 was one of the most famous trance mediums in the world and the best known psychic in America's history Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as the sleeping prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil's playground Ironically this is the very thing Cayce himself had worried about in reference to the Readings     **A Search for God** Edgar Cayce, 2021-02 Called the A Search for God material this volume presents a new look at 24 ecumenical lessons on personal growth and spiritual development From the first lesson on cooperation through others on ideals patience oneness desire destiny wisdom and love this book provides specific tools for soul growth Each chapter contains a brief overview of the lesson followed by verbatim extracts from the Cayce readings that had been studied by the first study group     Edgar Cayce and a Course in Miracles Judith Sherbenou, 2006
