Brophy, 1968 **Edith Sitwell** James D. Brophy, 1968 Edith Sitwell Richard Greene, 2011-11-10 For the better part of forty years Edith Sitwell's poetry has been neglected by critics But born into a family of privileged eccentrics Edith Sitwell was highly regarded by her contemporaries the great writers and artists of the day who attended her unlikely London literary salon Her quips and anecdotes were legendary and her works like *English Eccentrics* confirmed her comic genius while later she established herself as the quintessential poet of the Blitz This masterly biography meticulously researched and drawing on many previously unseen letters firmly places Edith Sitwell in the literary tradition to which she belongs **The Many Facades of Edith Sitwell** Allan Pero, Gyllian Phillips, 2017-06-13 A fascinating book that takes us deep into Edith Sitwell's world of artifice disguise high camp and verbal ingenuity In these essays Sitwell emerges as a central figure in an alternative avant garde in early twentieth century Britain Faye Hammill author of *Sophistication A Literary and Cultural History* Establishing Edith Sitwell at the center of British modernism this volume showcases her many achievements in poetry autobiography novel writing criticism art and performance Forgoing the gossip about her eccentric appearance and self-fashioned persona that has too often overshadowed serious writing about her work the contributors explore how Sitwell combined persona and poetry to foster an outpouring of iconoclastic creativity *The Many Facades of Edith Sitwell* argues that Sitwell was crucial to the development of a British avant garde that operated alongside the conventionally accepted transatlantic modernism of Ezra Pound and T S Eliot With Sitwell as an influential literary player and social architect the British interwar arts scene was not an ascetic escape from personality as the modernism of Pound and Eliot has often been characterized but an alternative space of flamboyant extravagant and ornate performance Allan Pero is associate professor of English at the University of Western Ontario Gyllian Phillips is associate professor of English studies at Nipissing University **Encyclopedia of British Humorists** Steven H. Gale, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company *Encyclopedia of British Writers* Christine L. Krueger, 2014-07 This concise encyclopedic reference profiles more than 800 British poets *Encyclopedia of British Writers, 1800 to the Present* George Stade, Karen Karbiener, 2010-05-12 Contains alphabetically arranged entries that provide biographical and critical information on major and lesser known nineteenth and twentieth century British writers and includes articles on key schools of literature and genres **Artistic Outlaws** Sonja Samberger, 2005 The creator of the new composition in the arts is an outlaw until he is a classic Gertrude Stein wrote in 1926 Unlike male modernists such as T S Eliot or Ezra Pound the modernist women poets Edith Sitwell Amy Lowell Stein and H D never became high modernist models but remained artistic outlaws The present study shows how these women were present on the modernist scene but followed their own concepts and struggled to establish their position as

modernist women poets Defying definition the four poets not only richly contributed to modernism but were indeed its developers The Future of Modernism Hugh Witemeyer,1997 Argues for the complex and vital legacy of major modernist authors *Literature and Musical Adaptation* ,2016-08-09 It can safely be said that when literary texts are utilized or adapted by a musician to create a new work of art it is seldom that a diminished or lessened product results Rather such a merging usually enlarges and enhances both text and tune perhaps significantly changing the message of the original Discovering exactly what the new form has to offer and how it relates to the text or melody that preceded it is often a daunting task requiring a close examination of both the author s and the composer s intent The essays in this collection offer an analysis of several adaptations some successful some not so successful and attempt to assess just what the musicians or writers have modified or changed from to the original as they re form it into an altogether different media Ranging from Pasternak s appropriation of Tchaikovsky to Britten s operatic versions of Billy Budd and the Turn of the Screw from Celan s use of fugal technique in his Todesfuge to the way that the musicianship of several women writers found voice in their writing a broad spectrum of collaborations is examined As readers examine an author s respect for a long dead musician Hopkins admiration of Purcell or as they discover how John Harbison worked to transform Fitzgerald s musicality in The Great Gatsby it will be evident that musical adaptations often provide a richness that the originals did not possess and that the potential for greatness is heightened when the arts intersect The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

No Man's Land Sandra M. Gilbert, Susan Gubar, 1996-02-21 How do writers and their readers imagine the future in a turbulent time of sex war and sex change And how have transformations of gender and genre affected literary representations of woman man family and society This final volume in Gilbert and Gubar's landmark three part No Man's Land The Place of the Woman Writer in the Twentieth Century argues that throughout the twentieth century women of letters have found themselves on a confusing cultural front and that most increasingly aware of the artifice of gender have dispatched missives recording some form of the future shock associated with profound changes in the roles and rules governing sexuality Divided into two parts Letters from the Front is chronological in organization with the first section focusing on such writers of the modernist period as Virginia Woolf Zora Neale Hurston Edna St Vincent Millay Marianne Moore and H D and the second devoted to authors who came to prominence after the Second World War including Gwendolyn Brooks Sylvia Plath Margaret Atwood Toni Morrison and A S Byatt Embroiled in the sex antagonism that Gilbert and Gubar traced in The War of the Words and in the sexual experimentations that they studied in Sexchanges all these artists struggled to envision the inscription of hitherto untold stories on what H D called the blank pages of the unwritten volume of the new Through the works of the first group Gilbert and Gubar focus in particular on the demise of any single normative definition of the feminine and the rise of masquerades of femininity amounting to female female impersonation In the writings of the second group the critics pay special attention to proliferating revisions of the family romance revisions significantly inflected by differences in race class and ethnicity and to the rise of masquerades of masculinity or male male impersonation Throughout Gilbert and Gubar discuss the impact on literature of such crucial historical events as the Harlem Renaissance the Second World War and the sexual revolution of the sixties What kind of future might such a past engender Their book concludes with a fantasia on The Further Adventures of Snow White in which their bravura retellings of the Grimm fairy tale illustrate ways in which future writing about gender might develop
