Edith Wharton On The French Riviera:

Edith Wharton's French Riviera Philippe Collas, Eric Villedary, 2002 Glamor and indolence of life in the South of France as seen through Wharton's gaze *Edith Wharton's French Riviera* Philippe Collas, Eric Villedary, 2005-05 Nice Cannes Monte Carlo these towns have come to symbolize sun drenched luxury decadence When Edith Wharton settled on the French Riviera at the end of the WW1 the Cote d'Azur was changing from a genteel winter resort dominated by European aristocrats into a far racier place populated by a glamorous Amer jet set Coco Chanel the Duke Duchess of Windsor Ali Khan Somerset Maugham Jean Cocteau Cole Porter F Scott Fitzgerald Matisse Czar Nicolas II stars from all over the world came to rub shoulders in palatial hotels glamorous casinos or in their extravagant homes Richly illus with both contemp vintage photos this is an evocative portrait of this vanished world the golden age of the French Riviera *A Forward Glance* Clare Colquitt, Susan Goodman, Candace Waid, 1999 In June 1923 Edith Wharton who had not set foot on native soil since before the First World War came home to accept an honorary degree from Yale University In April 1995 friends of Wharton again convened at Yale The essays collected in *A Forward Glance* New Essays on Edith Wharton represent a portion of the complex and varied scholarly work delivered at that conference From publisher's description [Women Writing on the French Riviera](#) Rosemary Lancaster, 2020-06-15 Destination for artists and convalescents playground of the rich site of foreign allure the French Riviera has long attracted visitors to its shores Ranging through the late nineteenth century the Belle Epoque the roaring twenties and the emancipatory post war years Rosemary Lancaster highlights the contributions of nine remarkable women to the cultural identity of the Riviera in its seminal rise to fame Embracing an array of genres she gives new focus to feminine writings never previously brought together nor as richly critically explored Fiction memoir diary letters even cookbooks and choreographies provide compelling evidence of the innovativeness of women who seized the challenges and opportunities of their travels in a century of radical social and artistic change [Edith Wharton in France](#) Claudine Lesage, 2018-10-23 Using previously unexamined and untranslated French sources Claudine Lesage has illuminated the intertwined characters and important relationships of Wharton's French life The bulk of the new material comes from the daybooks of Paul and Minnie Bourget Wharton's letters in French to Lugou and the author's personal research in Hyeres Highlights include letters used in Wharton's divorce proceedings and a mysterious autobiographical essay written by Wharton's lover Morton Fullerton Most significantly Wharton's friendship with Lugou absent from most Wharton biographies is for the first time fully recounted through their extensive intimate correspondence The year 1907 was a milestone in Edith Wharton's life and work Unlike Joseph Conrad who had virtually overnight forsaken his native land for an adopted one Mrs Wharton's transition required several years of shuttling back and forth across the Atlantic At first all of Europe beckoned to her but from 1907 on Wharton would claim Paris and after the war the French countryside as her home All the while her work long regarded as being exclusively American followed a similar trajectory **French Riviera and Its**

The Mother's Recompense Edith Wharton,2021-08-18 Opening on the French Riviera among a motley community of American expatriates *The Mother's Recompense* tells the story of Kate Clephane and her reluctant return to New York society after being exiled years before for abandoning her husband and infant daughter Edith Wharton was an American novelist short story writer playwright and designer Wharton drew upon her insider's knowledge of the upper class New York aristocracy to realistically portray the lives and morals of the Gilded Age In 1921 she was the first woman to win the Pulitzer Prize for Literature

Pastoral Cosmopolitanism in Edith Wharton's Fiction Margarida Cadima,2023-07-11 American novelist Edith Wharton 1862-1937 is best known today for her tales of the city and the experiences of patrician New Yorkers in the Gilded Age This book pushes against the grain of critical orthodoxy by prioritizing other species of spaces in Wharton's work For example how do Wharton's narratives represent the organic profusion of external nature Does the current scholarly fascination with the environmental humanities reveal previously unexamined or overlooked facets of Wharton's craft I propose that what is most striking about her narrative practice is how she utilizes adapts and translates pastoral tropes conventions and concerns to twentieth century American actualities It is no accident that Wharton portrays characters returning to or exploring various natural localities such as private gardens public parks chic mountain resorts monumental ruins or country estate follies Such encounters and adventures prompt us to imagine new relationships with various geographies and the lifeforms that can be found there The book addresses a knowledge gap in Wharton and the environmental humanities especially recent debates in ecocriticism The excavation of Wharton's words and the background of her narratives with an eye to offering an ecocritical reading of her work is what the book focuses on

Rivers Norton,2017-01-06 This volume explores the life stories of Elizabeth Bishop Virginia Woolf Alice James and Edith Wharton whose individuation process mirrored Demeter Persephone s mythic journey from abduction and rage to purposeful reconciliation These authors often courted humiliation and consequent exile by voicing what others did not want to acknowledge yet each took restorative action to discover and preserve emotional and mental wellbeing Writing during the 19th and early 20th centuries when an association between female authors and physical ailments neurasthenia hysteria and other nervous complaints by the medical paternity reflected how society in general understood mental illness as well as the narrative perceptions of women Bishop Woolf James and Wharton claimed personal autonomy by speaking truth about sorrow and suffering in their lives Despite restrictions and limiting gender norms each author continuously recast painful experiences of loss abuse and mental illness as fodder for the imagination to forge lasting literary careers The book emphasizes the therapeutic value of narrative disclosure and its ability to yield a deeper understanding of the impact of childhood trauma and adversity on women writers and how their creative response shaped modern culture As such it contextualizes trauma as lived experience for each writer along with current research on early loss and mourning childhood abuse and family systems theory in order to appreciate more fully how writing as ritual may help transform mental and emotional debility *Making Monte Carlo* Mark Braude,2016-04-12 A brisk historical tour of the marketing and selling of
