

Epithalamion by Edmund Spenser

Epithalamion is an ode written as the finale of *Amoretti*, commemorates Spenser's marriage to Elizabeth Boyle, daughter of James Boyle, the relation of Earl of Cork, Richard Boyle, on June 11, 1594. The music begins before sunrise and continues through the wedding ceremony and into the newlywed couple's consummation night.

Throughout *Epithalamion*, the speaker marks time by referring to the physical movements of the bridal party, the locations of the sun and other heavenly bodies, and the light and darkness that fill the day.

Although strongly rooted in the classical tradition, *Epithalamion* borrows its setting and several of its images from Ireland, the location of Edmund Spenser's wedding to Elizabeth Boyle. Some commentators regard this Irish connection as a reflection within the poem on the correct relationship between ruling England (the groom) and subject Ireland (the bride). Spenser's affection for the Irish countryside is evident in his vivid descriptions of the natural world around the couple, while his political ideas on English supremacy are hinted at in the bond between the bride and groom themselves.

Other scholars have seen Spenser's gift to his bride as a literary argument for the kind of husband-wife relationship he intends the two of them to have, rather than a celebration of their wedding day.

Summary of Epithalamion (Stanza Wise)

Edmund Spenser wrote *Epithalamion* as a wedding gift for his bride, Elizabeth Boyle. The poem follows the couple's wedding day from the groom's eager hours before dawn to the late hours of the night after the husband and wife have consummated their marriage. Spenser's representation of time as it passes is systematic, both in the factual chronological sense and in the subjective sense of time as perceived by those waiting in expectancy or fear.

This ode, like most classically-inspired works, begins with an invocation to the Muses to assist the groom; but, in this case, they are to assist him in awakening his bride, not in creating his literary work. Then there is an increasing procession of figures attempting to bestir the bride from her bed. When the sun rises, the bride finally
