The Red and the Black David Featherstone, Christian Høgsbjerg, 2021-08-10 The Russian Revolution of 1917 was not just a world historical event in its own right but also struck powerful blows against racism and imperialism and so inspired many black radicals internationally This edited collection explores the implications of the creation of the Soviet Union and the Communist International for black and colonial liberation struggles across the African diaspora It examines the critical intellectual influence of Marxism and Bolshevism on the current of revolutionary black internationalism and analyses how Red October was viewed within the contested articulations of different struggles against racism and colonialism Challenging European centred understandings of the Russian Revolution and the global left *The Red and the Black* offers new insights on the relations between Communism various lefts and anti colonialisms across the Black Atlantic including Garveyism and various other strands of Pan Africanism The volume makes a major and original intellectual contribution by making the relations between the Russian Revolution and the Black Atlantic central to debates on questions

relating to racism resistance and social change **Black Americans in Victorian Britain** Jeffrey Green, 2018-09-30 The first study of its kind exploring the experiences of some of the black American citizens who ventured forth to Britain in the nineteenth century With the arrival of black Americans in Britain during the Victorian era residents of villages towns and cities from Dorchester to Cambridge Belfast to Hull and Dumfries to Brighton heard about slavery and repression in the US and learned of the diverse ambitions and achievements of black Americans both at home and overseas Across the country numerous publications were sold to the curious and lectures were crowded Ultimately many of these refugees settled in Britain some worked as domestic servants others qualified as doctors wrote books taught or labored in factories and on ships while their youngsters went to school We might not think of black immigrants when we consider the population of Victorian Britain but this is a shameful oversight Their presence was important and their stories recorded here are both fascinating and powerful **Black Americans in Victorian Britain** documents the experience of refugees settlers and their families as well as pioneering entertainers in both minstrel shows and stage adaptations of the 1850s bestselling novel *Uncle Tom's Cabin* This is a timely and engaging new perspective on both Victorian and Afro American history **Black Poppies** Stephen Bourne, 2014-08-01 A powerful revelatory counterbalance to the whitewashing of British history Bernardine Evaristo Booker Prize winning author of *Girl Woman Other* In this updated edition of his acclaimed study of the black presence in Britain during the First World War Stephen Bourne illuminates fascinating stories of black servicemen of African heritage These accounts of the fights for their Mother Country are charted from the outbreak of war in 1914 to the conflict's aftermath in 1919 when black communities up and down Great Britain were faced with anti black race riots despite their dedicated services to their country at home and abroad With unprecedented access to the wartime personal correspondence of the Jamaican siblings Vera Norman and Douglas Manley Bourne helps bring to light the day to day trials tribulations and tragedies of life on the battlefield The stories of servicemen like Arthur Roberts Scotland's Black Tommy and Trinidadian soldier and campaigner George A Roberts sit alongside the experiences of people of African descent at home during the First World War These include a black police officer munitions factory workers and even stars of the stage like Cassie Walmer Informative and accessible with first hand accounts and original photographs **Black Poppies** is the essential guide to the military and civilian wartime experiences of black men and women from the trenches to the music halls **The Compleat Busoni, Volume 1** Larry Sitsky, 2023-08-24 Larry Sitsky professor emeritus at The Australian National University is an internationally known composer pianist scholar and teacher His books are fundamental reference works on subjects such as Australian piano music the 20th century avant garde the piano music of Anton Rubinstein the early 20th century Russian avant garde and the classical reproducing piano roll **The Compleat Busoni** is the result of Sitsky's lifelong focus on the composer Ferruccio Busoni Over three volumes Sitsky surveys Busoni's vast output provides an ending to the unfinished opera *Dr Faust* and presents definitive realisations of the *Fantasia Contrappuntistica* in two piano and orchestral versions

New insights into Busoni's style and aesthetics are an integral aspect of this work *The South Carolina Historical Magazine*, 1984 **Black Edwardians** Jeffrey Green, 2012-11-12 This study reveals the presence of black people in all walks of life all over the British Isles at the height of the imperialist era challenging conventional views on imperialism racism and British social history Historians of British society have largely ignored this most visible of minorities and commentators on racism have been silent on the period **The Orphans of Byzantium** Timothy S. Miller, 2003-03 Combining ancient Roman legal institutions with Christian concepts of charity the Byzantine Empire evolved a child welfare system that tried either to select foster parents for homeless children or to place them in group homes that could provide food shelter and education

Black Genius Dick Russell, 2009-02-02 Intimate in depth portraits interviews and essays of America's black leaders from the founding of the nation and Frederick Douglass to the 2008 presidential race and Barack Obama Each figure is interconnected with the next exploring themes of family and intergenerational community spirituality and diligence activism and struggle These remarkable portraits reveal the true spirit of the American pioneers who forged much of the heart of this nation but whose achievements have been largely overlooked New York Times bestselling author Dick Russell examines the lives of musicians civil rights leaders philosophers writers and actors including Duke Ellington Will Marion Cook Louis Armstrong Wynton Marsalis Albert Murray Ralph Ellison Toni Morrison and Romare Bearden Concluding with a list of sources and suggested reading this fascinating and vibrant look at American history is a must for any collection **Some Hustling This!** Mark Miller, 2005 *Some Hustling This* Taking Jazz to the World 1914-1929 is a narrative of first encounters notable events and significant figures in the internationalization of jazz The narrative is framed by Louis Mitchell's career abroad beginning with his first trip as a drummer with the Southern Symphony Quintette to London in 1914 and concluding with his final attempt as an entrepreneur to operate a nightclub in Paris in 1929 The 15 years of Mitchell's European sojourn encompassed the Jazz Age which has been dated from around the time of the end of the First World War in November 1918 to the New York stock market crash of October 1929 *Some Hustling This* is the story of the young men and women who took jazz in its formative stages to the world a story of hope escape and wanderlust success infamy and tragedy *Cross the Water Blues* Neil A. Wynn, 2010-02-09 Contributions from Christopher G. Bakriges Sean Creighton Jeffrey Green Leighton Grist Bob Groom Rainer E. Lotz Paul Oliver Catherine Parsonage Iris Schmeisser Roberta Freund Schwartz Robert Springer Rupert Till Guido van Rijn David Webster Jen Wilson and Neil A. Wynn This unique collection of essays examines the flow of African American music and musicians across the Atlantic to Europe from the time of slavery to the twentieth century In a sweeping examination of different musical forms spirituals blues jazz skiffle and orchestral music the contributors consider the reception and influence of black music on a number of different European audiences particularly in Britain but also France Germany and the Netherlands The essayists approach the subject through diverse historical musicological and philosophical perspectives A number of essays document little known performances and recordings of African American

musicians in Europe Several pieces including one by Paul Oliver focus on the appeal of the blues to British listeners At the same time these considerations often reveal the ambiguous nature of European responses to black music and in so doing add to our knowledge of transatlantic race relations
