## **Edmund Wilsons America:**

**Edmund Wilson's America** George H. Douglas, 2021-11-21 When Edmund Wilson died in 1972 he was widely acclaimed as one of America's great literary critics. But it was often forgotten by many of his admirers that he was also a brilliant and penetrating critic of American life. In a literary career spanning half a century, Wilson commented on nearly every aspect of the American experience and he produced a body of work on the subject that rivals those of Tocqueville and Henry Adams. In this book, George H. Douglas has distilled the essence from Wilson's many writings on America. An active reporter and journalist as much as a scholar, Wilson ranged from Harding to Nixon, from bathtub gin to marijuana. Douglas here surveys Wilson's mordant observations on the roaring twenties, the Great Depression, income tax, suburbia, sex, populist politics, the Vietnam War, the Great Society, the failure of American scholarship, pollution of the landscape, and the breakdown of traditional American values. The Wilson who emerges from this survey is a historical writer with deep and unshakable roots in Jeffersonian democracy. Among his most far-seeing and poignant books are studies of the literature of the American Civil War and of the treatment of the American Indian. Pained by the crumbling moral order, Wilson was never completely at home in the twentieth century. In politics, he was neither a liberal nor a conservative as those terms are understood today. He endured those ideologies and their adherents, but his genius was that he could bring them into hard focus from the perspective of the traditional American individualist who was too pained to accept the standardized commercial world that had grown up around him. Edmund Wilson's *America* offers a distinctive overview of the nation's life and culture as seen and judged by its leading man of letters.

Edmund Wilson David Castronovo, 1984. Twayne's United States Authors, English Authors, and World Authors Series. Present concise critical introductions to great writers and their works. Devoted to critical interpretation and discussion of an author's work, each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view. An Authors Series volume addresses readers ranging from advanced high school students to university professors. The book suggests to the informed reader new ways of considering a writer's work. Each volume features a critical interpretive study and explication of the author's works, a brief biography of the author, an accessible chronology outlining the life, the work, and relevant historical context, aids for further study, complete notes and references, a selected annotated bibliography, and an index. A readable style presented in a manageable length.

Edmund Wilson Lewis M. Dabney, 2005. From the Jazz Age through the McCarthy era, Edmund Wilson (1895-1972) stood at the center of the American cultural scene. In this biography, Dabney shows why Wilson was and has remained a model for young writers and intellectuals as well as the favorite critic of the general reader.

**Edmund Wilson** Leonard Kriegel, 1971. Leonard Kriegel examines Wilson's principal nonfiction works in depth: *Axel's Castle*, which he finds a classic in its own right; *To the Finland Station*, which he holds to be Wilson's finest work; and *The American Jitters*, *Travels in Two Democracies*, *The Triple Thinkers*, *Patriotic Gore*, *The Wound and the Bow*, and *Europe Without Baedeker*, with which taken together Mr. Kriegel

feels Wilson has assured himself a permanent position in America's cultural legacy because of his unparalleled fusion of intelligence and lucidity

**Edmund Wilson** Richard Hauer Costa, 1980-11-01 For the eminent American literary critic Edmund Wilson Upstate New York was home Richard Hauer Costa's biography of Wilson's final years from 1962 to 1972 in Talcottville NY combines the literary the political and the domestic in an engaging portrait of Wilson as squierarchical Dickensian benevolent Costa shows us a very personal accessible man as he tells us about Wilson's opinions literary and otherwise his likes and dislikes his almost spiritual link to Talcottville his failing health in his final years his habits moviegoing and idiosyncracies sneakers What emerges is a profile of Wilson not at all like the stern figure of academic biography Also included are interviews Costa conducted after Wilson's death with noted Upstate novelist Walter D Edmonds Canadian writer Morley Callaghan and Wilson's Upstate friend Mary Pcolar

American Earthquake Edmund Wilson, 1958 During a twelve month period in 1930 and 1931 Edmund Wilson wrote a series of lengthy articles which he then collected in a book called *American Jitters A Year of the Slump* The resulting chronicle was hailed by the New York Times as the best reporting that the period of depression has brought forth in the United States and forms the heart of the present volume In prose that is by turns dramatic and naturalistic inflammatory and evocative satirical and droll Wilson painted an unforgettable portrait of a time when the whole structure of American society seemed actually to be going to pieces The *American Earthquake* bookends this chronicle with a collection of Wilson's non literary articles including criticism reportage and some fiction from the years of *The Follies* 1923 1928 and the dawn of the New Deal 1932 1934 During this period Wilson had grown from a little known journalist to one of the most important American literary and social critics of the century The *American Earthquake* amply conveys the astonishing breadth of Wilson's talent provides an unparalleled vision of one of the most troubling periods in American history and perhaps inadvertently offers a self portrait comparable to *The Education of Henry Adams*

*Edmund Wilson* Warner Berthoff, 1968 *Edmund Wilson American Writers* 67 was first published in 1968 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions

**American Oracle** David W. Blight, 2013-10-07 David Blight takes his readers back to the Civil War's centennial celebration to determine how Americans made sense of the suffering loss and liberation a century earlier He shows how four of America's most incisive writers Robert Penn Warren Bruce Catton Edmund Wilson and James Baldwin explored the gulf between remembrance and reality

**Edmund Wilson on American Literature** Lorraine Anne Schlesinger, 1968 *Edmund Wilson* Lewis M. Dabney, 1997 Edmund Wilson who helped shape American literary culture from the early 1920s through the mid 60s is still a presence a century after his birth This vibrant collection emerges from symposiums in Wilson's centenary year 1995 at the Mercantile Library in New York and at Princeton University Assembled and edited by Lewis Dabney the book shows the intellectual voices of a younger generation interacting with veterans who knew Wilson and his times
