

A black and white photograph of a modern building. On the right, a wall made of large, rectangular stone blocks is visible. A glass door with a metal frame is partially open, revealing a dark interior. To the left of the stone wall, there is a bare tree with thin branches. In the background, a body of water and some distant trees are visible under a light sky.

 housing are no longer dominated by standardized solutions and stylistic attitudes They derive mainly from their occupants
 widely varying lifestyles so new principles for advanced spatial solutions have emerged very recently The present basic work
 presents innovative ways of living in over 100 realized buildings The examples extend from cost optimized minimal housing
 via classical detached family houses and lavishly furnished villas to high density detached and terraced homes in the city and
 on the outskirts These novel Living Plans are analysed using elaborate new drawings of the ground plans sections and spatial
