The Home Education Handbook Gill Hines,Alison Baverstock,2019-03-21 Home educators want to provide a high quality learning experience for their children and this handbook is an excellent resource for making this aspiration a reality Dr Adam Boddison Chief Executive of National Association of Special Educational Needs If you are thinking of home educating your child your initial surprise may be at how easy it is to turn intention into reality Once you have deregistered your child you are largely left to get on with delivering education from home as you see best This book is full of practical guidance for parents based on the authors long experience of working with children and young people their parents teachers

and schools It will help you plan what is taught as well as when and how The authors not only consider how to benefit from the opportunities home education provides but also suggest creative ways to fill the potential gaps that might arise from not being part of the traditional school system The Home Education Handbook covers everything from the socialisation of home educated children to advice on supporting the motivation and resilience of all involved This is a book that every parent who is considering home education or flexi schooling or is simply keen to ensure that their child gets the best education possible needs to read **Get Your Child into the School You Want** Katie Kraiss, 2010-10-29 Whether you are contemplating

private education or trying to secure a place in the best local school this book will give you proven strategies for success This book will help you pick a school in which your child will flourish and give you the full low down on how to play the system to secure your child's place If your child faces an entrance exam or interview there is a thorough guide to tuition coaching and performance and should you need it there is a comprehensive guide to making a successful appeal NOT GOT MUCH TIME One five and ten minute introductions to key principles to get you started AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success based on the author's many years of experience EXTEND YOUR KNOWLEDGE Extra online articles at www.teachyourself.com to give you a richer understanding of the school application process THINGS TO REMEMBER Quick refreshers to help you remember the key facts TRY THIS Innovative exercises illustrate what you've learnt and how to use it **How Public Schools Destroy Your Children's Lives and Careers** Sandro Sehic, 2010-06 Educating

your children in the public schools does not take one minute or perhaps one day Education is a life long process and whether we like it or not the fact is it never stops Your children will spend the most important part of their lives at the public schools and whatever they learn at those schools will impact their lives as long as they live What really happens to your children at public schools each day Do you think that your children are learning useful information in today's schools If you think that your children will leave today's public schools properly prepared for real life the answer is no you are WRONG Public schools have failed Many teachers are not properly educated with the appropriate teaching certification School administrators constantly sell lies about the success of their students when in reality they are failing miserably today Courses and exams are designed to be very simple so that they no longer test the knowledge of our children properly The greatest portion of school budgets is spent on the salary of local school administrators Almost everything your children learn in today's public schools is useless Teaching positions are no longer designed for the smartest and most qualified teachers they have become political positions that anyone can hold as long as they get approved by the school board It's not too late to do something to turn this around **How Public Schools Destroy Your Children's Lives and Careers** offers thoughts and solutions on this hot button topic
