have transformed it fundamentally tearing up these shared scripts and leaving adults to fashion meaning and coherence in an increasingly individualistic culture Emphasizing adulthood s joys and fulfillments as well as its frustrations and regrets Mintz shows how cultural and historical circumstances have consistently reshaped what it means to be a grown up in contemporary society A triumph of historical writing The Spectator Mintz s message that there are many ways to wear the mantle of responsible adulthood and that the 1950s model is a mere blip on history s radar is deeply necessary and long overdue New York Times Book Review Describing the cultural economic and social changes from the Colonial era to today s world Mintz argues that neither religious nor secular middle class values are adequate responses to the new generation s problems Choice A thoughtful and strangely encouraging tour of an often difficult life stage Kirkus Reviews Dictionary of National Biography Sir Leslie Stephen, Sir Sidney Lee, 1903 **The History of Sandford and Merton** Thomas Day, 2009-11-13 Among the earliest novels written about children for children The History of Sandford and Merton was enormously popular for a century and a half after its first publication in 1783 9 The novel is Enlightenment for beginners offering a course of education in class race and gender to its six year old protagonists the robust farm boy Harry Sandford and Tommy Merton the spoiled boy from the big house Sandford and Merton offers entertaining and practical lessons in manners masculinity and class politics This Broadview Edition includes the original illustrations along with contemporary reviews and other material on childhood by John Locke Thomas Day Jean Jacques Rousseau and others The British National Bibliography Arthur James Wells, 2005 The Tulira Trilogy of Edward Martyn, 1859-1923, Irish Symbolist Dramatist Jerry Nolan, 2003 The Tulira Trilogy was the creation of the dreaming landlord of Tulira Castle County Galway Edward Martyn It explores the Irish national dream in a tragic mode which no other Irish dramatist of the period attempted After a century of neglect the plays are examined afresh in this new edition with a scholarly introduction which proposes a fundamental revaluation of Edward Martyn as an Irish symbolist dramatist **Dictionary of National Biography: Index and Epitome**, 1903 *The Oxford Companion to Children's Literature* Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of children s literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children s hymns The Encyclopaedia Britannica Thomas Spencer Baynes, William Robertson Smith, 1890 **Bibliographic Guide to Education** 2003 GK Hall, 2004-10 The Bibliographic Guide to Education lists recent publications cataloged during the past year by Teachers College Columbia University supplemented by publications in the field of education cataloged by The Research Libraries of The New York Public Library selected on the basis of subject headings Non book materials including theses are included in this Guide with the exception of serials All aspects and levels of education are represented in this Guide including such areas as American elementary and secondary education higher and adult education early childhood education history and philosophy of education applied pedagogy international and comparative education educational administration education
