A Bibliography of the Life and Teachings of Jiddu Krishnamurti Weeraperuma, 2023-07-17 Insights Into Education J Krishnamurti, 2022-09-09

Insights into Education presents the educational philosophy of J Krishnamurti in an easy to use topic based format
It is a practical handbook that comes alive when used as an introduction to group investigation and dialogue
What it offers to teachers everywhere is an inroad into the many matters of concern with which they are faced on a daily basis
That we cannot continue as we have been doing with rote learning fact finding and a modicum of analysis as the building blocks of education is obvious to anyone who is at all concerned with teaching and learning in a world with accelerating technological advancement alienation and despair
It is these very issues that are tackled here sometimes implicitly but always at depth
What Krishnamurti proposes and here discloses is a different approach to learning
