Educational System Of Israel:

The Educational System of Israel Nellie Mary Apanasewicz, Seymour Michael Rosen, 1971 **The Educational System of Israel** Nellie Mary Apanasewicz, 1979 **Israel and the Occupied Territories** Lynne Rosengrant Franks, 1987

Information on the educational systems of Israel and the Occupied Territories West Bank and the Gaza Strip and guidelines on placing students from this region in U S high schools and colleges are presented After describing the country and territories attention is directed to preschool primary and intermediate education secondary education teacher training and the education profession nursing and other health professions overseas student programs in Israel technological education higher education and the United Nations Relief and Works Agency for Palestine Refugees in the Near East Profiles of technical and higher education institutions in Israel and the Occupied Territories cover degrees diplomas admission requirements college programs and school characteristics General information on Israeli higher education includes college organization and administration the grading and credit systems examinations and degree programs Guidelines for admissions officers focus on the admissibility and appropriate level of placement of students from Israel and the territories in U S schools A glossary and list of postsecondary technological vocational schools are appended SW Politics and Policy-Making in Israel's Education System Haim Gaziel, 1996-01-01 This volume describes and analyses the structure of Israel s education system from a political and policy making perspective The Educational System of Israel Yaacov Iram, Mirjam Schmida, 1998-06-25 Israel witnessed rapid changes during the last five decades of its existence as an independent state Geopolitical developments particularly the continuous conflict with its Arab state neighbors affected all spheres of life including education Demographically changing patterns of Jewish immigration has transformed the Jewish population several times from predominantly European in the late 1940s to Middle Eastern during the late 1950s and 1960s and back to European following mass immigration from the former Soviet Union in the late 1980s and 1990s These demographic changes including waves of immigrants from Ethiopia have raised issues of equality in educational policies The authors of this book provide historical background and analyses of Israel s educational system that they believe is on the crossroads of still another transformation as a result of the prospects of peace in the region **Educational System of Israel** Yaacov Iram, 2005-05

Israel, a Modern Education System Randolph L. Braham, United States. Office of Education, 1966 Study of the educational system in Israel with particular reference to secondary education and teacher training includes historical and geographical aspects Bibliography pp 175 to 181 **Education among Indigenous Palestinians in Israel** Majid Al-Haj, 2024-07-01 Unparalleled in its scope this book provides a detailed longitudinal analysis of indigenous Palestinian education in Israel since the establishment of the state Taking a comparative approach Majid Al Haj juxtaposes the Arab and Hebrew education systems in Israel from early childhood through higher education looking at their administration resources curriculum content and outcomes Significantly the book represents the first systematic examination of an authentic model for

social change and educational empowerment initiated by Palestinian Arabs in Israel through a civil society organization

Blending quantitative and qualitative methods Al Haj addresses widely debated theoretical questions about the role of education among indigenous minorities and disadvantaged groups in the context of cultural hegemony and inequalities on the one hand and self empowerment and social change on the other Lastly Al Haj offers a review of the pre state period and considers the impact of the ongoing Israel Palestinian conflict on the goals substance and narratives of Arab and Hebrew education

Conflicting Philosophies of Education in Israel/Palestine Ilan Gur-Ze'ev, 2013-06-29 effectiveness and creativity in different contexts In this issue this will be presented in full detail in the articles which refer to different aspects of the Israeli educational context This special issue of Studies in Philosophy and Education concentrates on the intellectual impotence moral devotion cultural willingness and social and technological efforts for the preservation and enhancement of the tyranny of normalizing education over human beings in a specific arena The various studies in this issue with all their differences of orientation and issues under consideration will reconstruct the ways for forcing subjects and communities to commit themselves to destroy the otherness or the human potential of the inner and external Other They reveal this phenomenon as a characteristic of both the victimizers and their 8 victims Normally philosophy of education supports this process and justifies or hides this reality As will be shown in this special issue however at the same time philosophy of education might also become a non productive or even a rebellious element in the culture industry and present a serious challenge to the present order It can address and challenge the perpetual success of normalizing education in all its versions among all rival communities narratives and armies of teachers consumers soldiers and intellectuals This of course does not guarantee that such a critique or resistance will not become another dogmatic or nihilistic blow to the free Spirit or nothing but another version of normalizing education

Neoliberalism and Education Systems in Conflict Khalid Arar, Deniz Örüçü, Jane Wilkinson, 2020-12-29 Neoliberalism and Education Systems in Conflict Exploring Challenges Across the Globe explores how neoliberal values are imprinted onto educational spaces and practices and by consequence fundamentally reshape how we come to understand the educational experience at the school or system level Countries across the globe struggle with the residual effects of increased accountability choice voucher systems and privatization The first section of the book discusses the direct imprint of neoliberal policies on educational spaces The next section examines the more indirect outcomes of neoliberalism including the challenges of inequity access violence racism and social justice issues as a result of neoliberal ideologies Each section of the book includes case studies about education systems across the globe including Britain Middle East Turkey United States China and Chile written by international contributors Neoliberalism and Education Systems in Conflict is essential reading for educators scholars and faculty of educational leadership and policy globally

Education in Israel, Report of the

Select Subcommittee on Education United States. Congress. House. Education and Labor,1970 Israel Digest ,1953

Introduction to Israel Gilad James, PhD, Israel is a small country located in the Middle East that has a rich and complex history It was founded in 1948 after the United Nations approved the partition of Palestine which resulted in the establishment of two states Israel and Palestine Israel is a parliamentary democracy and its government is divided into three branches legislative executive and judicial The country is led by a prime minister who is elected by the Knesset which is the Israeli parliament Israel is known for its diverse population which includes Jews Arabs Druze Christians and other minorities Hebrew and Arabic are the official languages of Israel and the country also has a strong cultural scene with a thriving film industry music scene and literature Jerusalem is the capital city of Israel and it is a holy site for Jews Christians and Muslims as it contains important religious sites such as the Western Wall the Church of the Holy Sepulchre and the Dome of the Rock Israel also has a strong economy with high tech industries tourism and agriculture being major drivers However the country also faces challenges such as ongoing conflicts with Palestinians regional instability and social issues related to the diverse population Risk Management of Education Systems Anat Even Zahav,Orit Hazzan,2017-01-21 This work illustrates how risk management can be applied to educational systems in general and STEM Science Technology Engineering and Mathematics education in particular The rationale for this approach stems from the increased awareness of the importance and contribution of STEM education to nations economic growth and development The coverage begins with the challenges of STEM education systems and concludes with a thorough strategic risk response plan The text outlines a risk management plan program for STEM education in Israel based on the conceptions of five stakeholders groups educators academics industry professionals military and philanthropic actors All of whom have expressed interest in promoting STEM education in the high school secondary education system The result ultimately presents an impressive meaningful and practical understanding of the difficulties and challenges together with applicable modes of action and a new horizon towards which STEM Education should march **Higher Education and the Palestinian Arab Minority in Israel** Khalid Arar,Kussai Haj-Yehia,2016-04-08 Higher Education and the Palestinian Minority in Israel examines perceptions concerning the characteristics of higher education acquisition in the indigenous Palestinian Arab minority in Israel Arar and Haj Yehia show that Palestinian Arabs in Israel clearly understand the benefit of an academic degree as a lever for social status and integration within the state of Israel The authors discuss difficulties met by Palestinian high school graduates when they attempt to enter Israel s higher education institutes and the alternative phenomenon of studying abroad The cultural difference between Palestinian traditional communities and Western Israeli campuses exposes Arab students to a mix of ethnicities and nationalities which proves to be a difficult transformative experience The book analyzes patterns of higher education acquisition among the indigenous Palestinian minority describing the disciplines they choose the challenges they encounter particularly for Palestinian women students and explore the implications for the Palestinian minority and Israeli

society **Language Education Policy: The Arab Minority in Israel** M. Amara, Abd Al-Rahman Mar'i, 2005-12-11 In this book we will explore in more detail some aspects of the Arab Jewish divide which raise fundamental questions regarding the place of the Arabs and Arab language education in the Jewish State More specifically the aim of this book is to describe and analyze language education in the Arab society in Israel from the establishment of the state in 1948 until today For this purpose internal processes which are embedded within the Arab population itself were examined such as the socio economic condition of the population the diglossic situation in the Arabic language and the wide use of Hebrew among Arabic speakers Furthermore the book also deals with external processes such as the policy of control and inspection of the Ministry of Education over the Arab education system in general and on language education in particular the dominance of Hebrew and the definition and perception of Israel as a Jewish State The influence of both internal and external processes on language education and learning achievements will also be extensively discussed **The UNRWA School System and the Palestine Arab Refugee Problem** Heinz Rudolf Hink, Kent Pillsbury, 1962 *Educational Systems of the Chief Colonies of the British Empire ...* Great Britain. Board of Education, 1901
