### **Significance of the Dead Sea Scrolls and other Essays**

Jonathan S. Nkhoma,2013 Jonathan Nkhoma in this scholarly collection of essays enriches the reader with different interesting windows on how one can unearth the riches contained in some of the New Testament writings The first two essays underscore the importance of placing the New Testament in a proper context and attempt to construct this context by discussing the historical background and the theological understanding of the Qumran Covenanters as derived from the Dead Sea Scrolls Jonathan Nkhoma treats many aspects touching the proper interpretation of the New Testament writings For example he shows how the sacramental rituals of washing and eating together in the Qumran Community add meaning to the same rituals carried over to the New Testament The significance of table fellowship is treated in greater depth in a subsequent essay Throughout the various essays the question of the historicity of the various texts is treated in a succinct way and the author is able to come to some helpful conclusions drawing on the previous work of many well know scholars The later essays tackle the very difficult question of martyrdom and Jonathan Nkhoma delves into the history of two particular cases in order to shed light on this difficult subject All essays are written in impeccable English which flows in an easy style This collection of essays would be invaluable to anyone who would wish to make a serious study of the New Testament writings

**The Narrative Integrity of Mark 13:24-27** Peter G. Bolt,2021-11-18 Applying a literary and reader oriented approach this book asks what the Gospel of Mark refers to when it promises the coming of the Son of Man 13 24 27 This reading not only provides the solution to the various difficulties in understanding those verses but unlike other readings it allows Mark 13 24 27 to be read as an integral part of the Gospel according to Mark An examination of the wider narrative of the Gospel and Mark 13 itself both in form and function as well as in its many details demonstrates that these verses raise expectations that are then shown to be fulfilled in Jesus death resurrection and launch of the gentile mission As contemporary Christians await the future return of Christ we already look back on the coming of the Son of Man which ought to inspire us to take further steps forward in Christian mission
