s worldview that opposed American policy and traditional values while praising communist regimes Kengor sees remnants of this worldview in Obama s early life and even ultimately his presidency Is Obama working to fulfill the dreams of Frank Marshall Davis That question has been impossible to answer since Davis s writings and relationship with Obama have either been deliberately obscured or dismissed as irrelevant With Paul Kengor s *The Communist Americans* can finally weigh the evidence and decide for themselves

Dupes Paul Kengor,2023-06-27 In this startling intensively researched book bestselling historian Paul Kengor shines light on a deeply troubling aspect of American history the prominent role of the dupe From the Bolshevik Revolution through the Cold War and right up to the present many progressives have unwittingly aided some of America s most dangerous opponents Based on never before published FBI files Soviet archives and other primary sources *Dupes* exposes the legions of liberals who have furthered the objectives of America s adversaries Kengor shows not only how such dupes contributed to history s most destructive ideology Communism which claimed at least 100 million lives but also why they are so relevant to today s politics

Politically Incorrect Guide to Communism Paul Kengor,2017-10-02 A brand new installment of the beloved Politically Incorrect Guide series *The Politically Incorrect Guide to Communism* is a fearless critique of freedom s greatest ideological adversary past and present

Only Victims Robert Vaughn,1996 In a dramatic change of role the noted television and film star has written a vivid and incisive account of the House Committee on Un American Activities probe of the entertainment industry from 1938 to 1958 Formed to investigate alleged subversives by the late fifties the committee had succeeded in ruining the careers and sometimes the lives of many of Hollywood and Broadway s top writers and performers Quoting generously from transcripts of its hearings Vaughn shows how the committee s primary purpose was punitive rather than legislative and concludes that its most serious damage to American theatre and film is not easily documented the loss of all the words never written or spoken because of the impact and the fear of the committee s misdeeds
