Bible and by late antiquity the archangels Michael and Gabriel were as familiar as the patriarchs and matriarchs guardian angels were as present as one's shadow and praise of the seraphim was as sacred as the Shema prayer. Mika Ahuvia recovers once commonplace beliefs about the divine realm and demonstrates that angels were foundational to ancient Judaism. Ancient Jewish practice centered on humans' relationships with invisible beings who acted as intermediaries, role models, and guardians. Drawing on non-canonical sources, incantation bowls, amulets, mystical texts, and liturgical poetry, Ahuvia shows that when ancient men and women sought access to divine aid, they turned not only to their rabbis or to God alone but often also to the angels. On My Right, Michael; On My Left, Gabriel spotlights these overlooked stories, interactions, and rituals, offering a new entry point to the history of Judaism and the wider ancient Mediterranean and Near Eastern world in which it flourished.

An Introduction to the New Testament David A. deSilva, 2018-09-25 This comprehensive New Testament introduction not only outlines historical, social, cultural, and rhetorical contexts but it also points students preparing for ministry to relevant facets of biblical interpretation. Brimming with maps, photos, points of interest, and aids to learning, this beautiful full-color second edition of an established textbook is the first choice for those who want to integrate scholarship and ministry.

Mastering the Discipline of Bible Study Jenai J. Rasmussen Ed.D., 2022-07-22 This work, along with the other volumes in the Foundational Knowledge of the Bible series, can help those who are young in the faith to seek a Christian relationship with God. All who choose to enter into the new covenant must concurrently embrace a new perceptual field. By heeding God's call to service, believers embark upon a Christian journey to become wise from the application of spiritual knowledge. This is made possible with the indwelling of the Holy Spirit, who guides covenant believers in the faithful word of God, which is the source of all spiritual truth in this world. The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn, godly discernment be equipped with sound doctrine, and grow together in all things according to Christ's authoritative leadership. Eph 4:15 By becoming covenant Christians, set apart by God for his particular use, we can be diligent by precisely and accurately handling the word of truth. 2 Tim 2:15 This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life's pressing spiritual questions, whether general or specific. Accordingly, Christ's disciples need to comprehend the questions before the answers can have real meaning. No greater reason can be given for studying the Bible. Therefore, the people of God are duty-bound to master this Christian discipline. The first volume in this series is divided into three phases of Bible study. Why addresses the importance of knowing God's word, study motivations, conditions for discipleship, Christian distinctions, and the attributes needed to study biblical truth. How covers preliminary actions, Bible versions, principles, study considerations, and necessary skills. What offers a unique sevenfold framework for understanding the Bible. Divine power can move the Scriptures to be more than words on a page. It can become a life-changing force for good in the world. To that end, this resource directs the reader on how to inquire, search, and ask diligently concerning godly truth. Invaluable information.

accessible resources clear educational materials and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth To be sure wisdom is the result of applying biblical knowledge to our lives By speaking divine truth in love believers can grow together in Christ as fellow workers who labor in the word of God There is no greater work in this world than to share this life saving truth with others The obligation of receiving divine knowledge requires that it be shared Truly giving the hope and joy that is found in Jesus Christ and the message he brought from the Father is the greatest privilege of a human life Amen and amen

Paul's Letters and Contemporary Greco-Roman Literature Paul Robertson, 2016-05-23 In this volume Paul Robertson re-describes the form of the apostle Paul's letters in a manner that facilitates transparent empirical comparison with texts not typically treated by biblical scholars Paul's letters are best described by a set of literary characteristics shared by certain Greco-Roman texts particularly those of Epictetus and Philodemus Paul Robertson theorizes a new taxonomy of Greco-Roman literature that groups Paul's letters together with certain Greco-Roman ethical philosophical texts written at a roughly contemporary time in the ancient Mediterranean This particular grouping termed a socio-literary sphere is defined by the shared form content and social purpose of its constituent texts as well as certain general similarities between their texts authors [Subject Guide to Books in Print](#), 1997

Paul and Asklepios Christopher D. Stanley, 2022-08-25 What role did offers of physical healing or the hope of receiving it play in the missionary program of the apostle Paul What did he do to treat the many illnesses and injuries that he endured while pursuing his mission What did he advise his followers to do regarding their health problems Such questions have been broadly neglected in studies of Paul and his churches but Christopher D Stanley shows how vital they truly become once we recognize how thoroughly pagan religion was implicated in all aspects of Greco-Roman health care What did Paul approve and what did he reject Given Paul's silence on these subjects Stanley relies on a cross-cultural and interdisciplinary approach to develop informed judgments about what Paul might have thought said and done with regard to his own and his followers health care He begins by exploring the nature and extent of sickness in the Roman world and the four overlapping health care systems that were available to Paul and his followers home remedies magical treatments religious healing and medical care He then examines how Judeans and Christians in the centuries before and after Paul viewed and engaged with these systems Finally he speculates on what kinds of treatments Paul might have approved or rejected and whether he might have used promises of healing to attract people to his movement The result is a thorough and nuanced analysis of a vital dimension of Greco-Roman social life and Paul's place within it

Christlikeness Robert P. Vande Kappelle,2022-12-20 Human beings are happiest when they live virtuously For Jesus and his first followers living virtuously meant loving God and others as extensions of oneself However what began as an inclusive ethical way of life based on unconditional love gradually degenerated into an exclusive social and political religious movement that came to be known as Christendom Originally a continuation of Jewish messianism the Christian movement aligned itself with Platonic and Aristotelian elements comprising a marriage of specific elements of Greek philosophy with Roman imperialism What if instead of aligning with the dualist idealist exclusivist and supremacist Socratic movement perpetuated by Plato and his followers ancient Christians had aligned with the nondualist realist inclusivist and egalitarian Stoic movement spread by Zeno and his followers an ethical tradition that like the teachings of Jesus was guided by providential and natural law ethics The results of such a synthesis laid out in this innovative study are practical inspiring and transformative for they are based on the greatest vision possible for humanity a nondualist approach to life that counters authoritarian and exclusivist behavior fostered by supremacist political ethical and social religious ideologies Unlike

Christendom based on ecclesiastical triumphalism the way of Christlikeness envisioned by Jesus for humanity is grounded in humility compassion service and love of others

Acts of the Apostles and the Rhetoric of Roman Imperialism Drew W. Billings, 2017-07-25 Acts of the Apostles is normally understood as a historical report of events of the early church and serves as the organizing centerpiece of the New Testament canon In this book Drew W Billings demonstrates that Acts was written in conformity with broader representational trends and standards found on imperial monuments and in the epigraphic record of the early second century Bringing an interdisciplinary approach to a text of critical importance he compares the methods of representation in Acts with visual and verbal representations that were common during the reign of the Roman emperor Trajan 98 117 CE Billings argues that Acts adopts the rhetoric of Roman imperialism as articulated in the images and texts from the period His study bridges the fields of classics art history gender studies Jewish studies and New Testament studies in exploring how early Christian texts relate to wider patterns in the cultural production of the Roman Empire
