Pastors Ian Jane McCormack UK **Discipleship Handbook** General Conference Sabbath School and Personal Ministries,2018-01-01 There is no higher calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that threaten to lead us away from the narrow path that leads to heaven If the devil had his way every Christian would be lulled to spiritual slumber or led into forbid den paths that would steal the heart away from God Therefore even after we are baptized it is imperative that we continue to grow into active and mature disciples of Christ The Discipleship Handbook will benefit anyone seeking such an experience with Jesus It may be used for personal study or in Sabbath schools prayer meetings small groups or one on one settings It is more than a book about discipleship Rather it contains everything needed for a six month Bible based discipleship plan for Seventh day Adventist churches and their members The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered The devotional life personal witnessing church life Christian lifestyle and evangelism each receive special emphasis For newer members the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor Discipleship Defined Eric Russ,2010-11 DON T read this book if you want to remain comfortable Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city This book is soundly Biblical challenging and practical This book is about building disciples not programs Roger Hershey Campus Crusade For Christ It is a joy to highly commend to all Discipleship Defined for it is exactly the prescription that is needed for the Church to regain much of our lost effectiveness Discipleship Defined has carefully described yet without programming it into a rigid system how to go about this challenging task Walter C Kaiser Jr President Emeritus Gordon Conwell Theological Seminary Eric Russ gives us some very straight forward thinking about discipleship a topic widely misunderstood and undervalued Moving away from piety driven discipleship Russ points us toward a holistic Christ centered way of following Jesus Jonathan Dodson Lead Pastor Austin City Life Austin TX Eric has a healthy obsession about strong discipleship and it shows in a gracious way in this guidebook for muscular commitment Can

Discipleship, Part 1: the Basics Anthony Svajda, 2020-03-14 Why Another Discipleship Book Let's face it There are a ton of discipleship books out there on the market Why in all of Christendom do we need another discipleship book Let me give you a few reasons why this discipleship book is important and how it is different from any other discipleship book you will get 1 Discipleship Is Important When a person reads the New Testament discipleship is written all over it Whether Jesus is leading his disciples Paul is making disciples or the church is being called to make disciples discipleship is there Discipleship in the New Testament is done in a small group or one on one with one believer leading another to know and follow God This book is designed to do that This is not another Bible study or life guide This is not a preaching series to work through This book is a guide for one believer to lead another in order to help them know and follow God through studying the text of the Bible 2 God's Word Is Important When you look at all the different materials labeled as discipleship you can be overrun with options Some formats are DVD driven some are book driven others are conversation driven But the real basis of teaching people to know and follow God is God's Word Therefore this resource is Text Driven Discipleship The guide is designed to help a disciple maker lead their disciple to discuss and understand God's Word and to help the disciple begin to study God's Word for themselves 3 God's People Are Important When Christians look at the church they should see a group of people committed to making disciples Making disciples is the Commission of every Christian and the marching orders of the Church Matt 28:18-20 Thus this resource was written in order to help Christians do what they were called to do This guide is to help God's people teach the Bible to others **Discipleship For Beginners A Study Guide** Simon Kennard, 2016-11-08

Discipleship is nothing but true belief in God It is generally thought that disciples were those early followers of Jesus However that is not true and anyone can be a true disciple and all it needs is dedication In fact the true definition is s a dedicated and committed follower or student of a teacher leader or philosopher In my book is all about this and much more it will guide you through what is required from a true disciple and also will help you understand as to what Bible says about Discipleship **The Way of Transforming Discipleship** Trevor Hudson, Stephen D. Bryant, 2006-02 Open yourself to

transformation as you discover what it means to be an authentic Christ follower This 5 week resource is ideal for Lenten studies or preparation for mission trips **The Disciple's Guidebook** A. Victoria Chance, 2012 After a decade of studying numerous cryptic passages in the holy book author A Victoria Chance has discovered a key to unlocking the mysteries of the Bible Incredibly this key which is a hidden language has been in plain sight for the past 2 000 years Without knowing exactly what we were reading Christ's secret language had been recorded in the gospels by his disciples and translated by Jesus within the actual text It was even documented similarly in various versions of the Bible throughout history THE DISCIPLE S

GUIDEBOOK takes readers who are suffering from a dearth of practical religion on a spiritual journey through the fundamental teachings of Christianity starting with the parables of Christ. Victoria calls his parables the alphabet of the Kingdom of God without which one cannot fully understand the mysteries of the Bible. She reveals very early how Jesus intended for the parables to be used as a guide to understanding his deep spiritual teachings. Small parables are shown to have been translated word for word by Jesus in the Gospel of Matthew. This key is then used to understand the larger, more substantial parables and eventually the overall meaning of his message. Once Christ's language is decoded, THE DISCIPLE'S GUIDEBOOK explains five main Christian precepts: truth, righteousness, readiness, faith, and salvation. Now the elusive key has been exposed and the mysteries of the Bible are revealed to everyone. Believers and nonbelievers alike will appreciate this light, modern-day approach to understanding the Bible. Kirkus Reviews *Personal Disciplemaking* Christopher B. Adsit, 1988. The Question: how can I disciple someone? how can I motivate them to deepen and broaden relationship with God and to go on with him for the long haul.
