PILGRIM ROUTE HIKING AND CYCLING THE CALIFORNIA MISSIONS TRAIL

From Sonoma to San Diego

• 1000 mile trail along the Pacific Coast • 21 historic California missions • San Francisco, Carmel, Santa Barbara, Los Angeles, Carlsbad, San Diego

The California Missions Trail leads walkers and cyclists on a scenic and historic journey through California's most beautiful states. The 21 missions, most founded over 200 years ago, are spiritual and historical landmarks that stretch from San Francisco Bay Area to San Diego, over 1000 miles. Between each mission, the trail offers a variety of scenic views, from the rugged coastline of Santa Cruz, San Clemente, and Carlsbad, to the rolling hills of San Francisco, San Jose, and the Central Valley region. This guide offers a comprehensive overview of the trail, including a detailed map, a list of missions, and a list of recommended walking and cycling routes.

This guidebook was made possible by a grant from the Santa Barbara County Trails Council and the California Missions Trail Alliance.

Guidebook To The Missions Of California:

Guidebook to the Missions of California Marjorie Camphouse,1974 California Mission Guide Bob

Nicholson,2021-01-05 The California missions represented the final expansion of the Spanish Empire From 1769 to 1823 Spanish soldiers and monks built a total of 21 Missions and 5 Presidios or military forts stretching North from Mexico along the Pacific coast through the territory that was then known as Alta California Over a short period little more than 50 years the Spanish brought a new culture to California spreading European religion agricultural practices and eventually forms of government The settlements around the missions became the seeds of modern California s major cities The trail connecting the missions El Camino Real became California s first highway and its route is closely followed by modern Highway 101 The designs of the missions still influence California architecture In a very real sense California as we know it today would not exist without the foundation of the missions The California Mission Guide provides a quick introduction to the 21 California missions and their history The book is a companion to the CaliforniaMissionGuide.com website and is ideal for travelers and tourists who want to explore the California Missions Note This book does not contain photographs There are many beautiful photo books featuring the California Missions Our goal for the California Mission Guide was to provide a small book with key information on each of the missions and the mission system in general **The California Missions Source Book** David J.

McLaughlin,2016-12 A valuable resource with a beautiful presentation The California Mission Source Book is a fine addition to the library of anyone interested in the California Missions Mission San Diego de Alcalá Kathleen J. Edgar,Susan E. Edgar,2003-12-15 Fray Junipero Serra established San Diego de Alcal the first of the California missions in 1769 The Catholic Spanish friars established the mission with the hope of converting Native Americans to Catholicism Although the level of reception to the Catholic religion and subsequently to the mission itself varied the San Diego de Alcala played an important role in the history of California The content provided in this book aligned to California state standards will provide students with a greater insight into the story of San Diego de Alcal and California s mission system This book is filled with excellent primary source materials and visuals including illustrations paintings and maps **A Little Book of California Missions**
