The background of the book cover is a photograph of a landscape. In the foreground, there is a calm body of water reflecting the colors of the sky. The middle ground shows a grassy field or marsh. The background features rolling hills under a sky with soft, pastel colors of pink, orange, and yellow, suggesting a sunset or sunrise. A faint rainbow is visible in the sky, arching over the hills.

pray Do you know how to discern the will of God How do you best fulfill the mission of your life and give God the greatest
glory These are among the most foundational questions in life One of the best ways to answer each one of these questions in
your life is through the spiritual teachings of Saint Ignatius of Loyola Between the years of 1522-1541 Saint Ignatius of
Loyola completed what has come to be known as one of the greatest spiritual masterpieces of all time The Spiritual Exercises
This relatively short book is packed with deep insights and guidelines for one who wants to grow in holiness by encountering
God on a 30 day retreat In a sense this retreat is the mother of all retreats on account of its length method and depth In our
day and age within our fast paced society few people are able to go off and enter into silence and solitude for 30 days and to
thus benefit from the fruitfulness of the full experience of Saint Ignatius retreat format However many people today are
searching for ways to deepen their relationship with our divine Lord The goal of this current three part book *Probing the
Depths* is to present the wisdom and spiritual lessons set forth by Saint Ignatius in The Spiritual Exercises in a format you
can incorporate into your daily life throughout the Liturgical Year A summary of the three parts of this book is as follows Part
One presents a brief introduction to the life of Saint Ignatius of Loyola offers an introduction to his masterpiece The Spiritual
Exercises and gives an overview of ten lessons taught by Saint Ignatius in The Spiritual Exercises These lessons provide a
basis for his unique spiritual approach and will be exceptionally useful in a practical way especially as it pertains to daily
discernment and fulfillment of the will of God These chapters should be read and re read so that they become practiced in
your daily life Part Two of this book contains sixty nine guided meditations on the topics Saint Ignatius recommends for his
30 day retreat These meditations were written using the methods of meditation contemplation and application of the senses
that are taught by Saint Ignatius These meditations are arranged according to the Liturgical Year of the Church which makes
it possible to incorporate them into the daily rhythm of your life A more detailed explanation of this arrangement of the
meditations is found in the Introduction to Part Two Part Three of this book provides some additional prayer material that
can be used throughout the year Specifically it provides three forms of examination of conscience a daily and weekly examen
format based on the five points of Saint Ignatius Daily General Examen and some morning afternoon and evening prayers In
his initial instructions for the retreat in the 18th and 19th Annotations Saint Ignatius acknowledges that some people will
need to adapt these exercises to their state in life Thus for those who live a busy life in the world the Exercises may need to
be extended over many weeks rather than completed within 30 days Therefore these meditations have been adapted to meet
this need If you do not make a weekly holy hour of adoration the meditations and prayers in this book can also be used on a

regular basis during your daily and or weekly prayer time in any quiet place However the meditations are written specifically with a holy hour of adoration in mind **Bringing Catholic Youth and the Bible Together** Lisa-Marie
