## **Guided Meditations On Gods Justice And Reign:**

**Guided Meditations on God's Reign** Jane E. Ayer, 2000-11 These four guided meditations are on God's benevolence using the creation accounts on the immediacy of the Kingdom of God as announced by Jesus in Luke 4 on the radical sharing found in Acts 2:42-47 and on the new Jerusalem announced in Revelation. Meditating on these themes can deepen our understanding of what it means to be ambassadors of the Reign of God.

**The Dysfunctional Church** Michael H. Crosby, 2011-04-01 Reduced to its simplest form The Dysfunctional Church maintains that The Catholic church is an addict an institutional addict. It's addicted to preserving the male celibate clerical model of the church. Many Catholics exhibit patterns of classic codependency which reinforce this addiction. The result is a dysfunctional church unable to confront a problem many members know is there. Michael Crosby breaks the silence to talk openly about the abuse of authority in the Catholic church. He does this in a way that offers comfort, hope and challenge to the frustrated but caring members of its family. He traces the historical gathering of powers by the hierarchy into its own hands and its ramification for today. Applying the approach that Matthew's Jesus took to the church leaders of his day Crosby brings the discerning light of scripture into the dark corners of growing addiction. The Dysfunctional Church is a clear, loving and unequivocal intervention. The author calls on church leaders and all other codependents in the church to face their addiction and seek recovery through spiritual conversion. Acknowledging that he himself is a recovering codependent he invites us all to turn to God to fill the hole in our wholeness. This involves coming under the authority of a higher power as well as finding support in prophetic communities modeled on the Twelve Steps. For those who left the church in anger Crosby's analysis invites compassion for those who remain in frustration; it offers hope and for the many who feel condemned to the church's use of authority it offers a way of recovery.

Brondos,2024-07-15 For centuries scholars and interpreters of the Hebrew Scriptures or Old Testament have read those Scriptures as if they spoke of a God whose desires concerns and interests were essentially no different than those of the other gods of antiquity known to us Like those gods what the God of Israel supposedly sought above all else was the honor worship and obedience of human beings and their submission to his will as his faithful and devoted servants While he undoubtedly demanded the practice of what was good right and merciful among his people in a way that set him apart from other gods ultimately he did so for his own sake in order to bring about in them the type of behavior that pleased him and compel them to live in conformity with his justice holiness and righteousness Those who sought to enjoy his blessings and avoid his fierce wrath and punishments had no choice but to strive to keep him content by observing all that he had commanded and making atonement for the sins and offenses they committed by offering him the sacrifices that appeased him Although he loved his people deeply his righteous and holy nature placed limits on that love and prevented him from showing them his favor unless the demands of his nature were satisfied When we abandon such an understanding of the God of Israel and instead read the Hebrew Bible on its own terms in order to grasp the logic underlying its narratives however a very different portrait of God emerges The God of whom the biblical texts speak is a God who desires nothing but the good for all those whom he has created and refuses to back down from his efforts to bring them to live in ways that will allow them to enjoy the wholeness and well being he desires for all when they insist on filling their lives with injustice suffering and violence When he demands that they obey all that he has commanded by practicing justice and compassion and avoiding behaviors that do them harm he does so not for his sake but for theirs If he jealously refuses to let his people serve and worship other gods it is only because those gods bring death and destruction rather than the life that is found in him alone While at times he must himself resort to violence and even bring down evil on human beings in order to put a stop to oppression and injustice he does so only because his passionate and unbending commitment to the well being of all of the families of the earth together with his beloved people Israel will not

allow him to hold back or relent in his efforts to save them not from him but from themselves Christian and Jewish readers alike will find in the present volume a God who is very different from the God they have been taught to encounter previously in the biblical texts a God whose ultimate concern is not for his own glory honor or worship or for the demands of a righteous and holy nature that holds him captive but for the healing wholeness and well being of all of his creatures Such an understanding of God not only calls into question traditional interpretations of the Hebrew Bible but also lays the basis for a fresh reading of the many difficult passages that have long challenged biblical interpreters due to the violent and troubling image of God that they convey

**A Christian Utopia** Stephen J. Gaudet, 2017-01-26 In the first century of the Common Era the Romans could boast of being the most pious society in the known world They possessed a highly structured societal organization with a well defined hierarchy

where everyone knew their place and the personal and interpersonal duties associated therewith. It was understood that their success was due in large part to maintaining a relationship with the gods. Yet at the same time social inequality and lack of justice for its members was ubiquitous and merely part of the fabric of that society. Into this milieu steps Saul of Tarsus, later known as the Apostle Paul. Based upon the authentic corpus of Paul, a new utopian society was envisaged: a society based on equality and justice for all, not just for the elite. This eschatological community is in sharp contrast with Imperial Rome. Following the death of Paul, writers invoking Paul's authority by claiming that their texts were authored by the apostle himself continued writing letters to various Christian communities. However, their texts differed in significant ways from Paul's vision. Yet these corrupted texts have survived and influenced the development of Christianity for two millennia. It is imperative to retrieve the true vision of Paul for a world in serious need of that eschatological vision.

**Where Justice and Peace Kiss** John R. Sittema, 2025-09-18. The Book of Revelation may appear strange, opaque, even confusing to modern eyes. Yet it is meant to reveal, not to conceal. Written in the style of Old Testament prophets, it comes to us in a code that is readily understood from the stories, symbols, and images of those prophets. It announces, as beams of light refracted through a prism, the truth about us, this broken world, the powers and patterns of evil, and the victory of God through Jesus and his faithful ones. Reading Revelation may appear to be a challenge; not reading can be dangerous. I've read the Book of Revelation many times, but I've never dared to study it until now. John Sittema's *Where Justice and Peace Kiss* doesn't just decode the imagery; it delivers the message with power and clarity. His prose is reminiscent of the first time I tasted fine wine: meant to be sipped slowly, savored, and thoughtfully contemplated before moving to the next. Mike Jette, Elder at Large, author of *Following the Invisible Jesus*. Rock Hill, SC, a rare and marvelous piece of work. Meditations or devotions from Revelation are almost as rare as ocean water that tastes good, and few devotionals of any kind offer as much as this one. Gary Corwin, Missiologist, historian, Church Elder, and author of *Introducing World Missions: A Biblical, Historical, and Practical Survey*. Charlotte, NC, a warm and engaging collection that tells a coherent story of grace to remind us that now and throughout history, everything that happens on earth is directed from heaven. Dr. Paul J. Hudson, MD, MPH, Director of Medical Missions, Author of *Healthcare and the Mission of God*. Fort Mill, SC.
