Guiding Light Collected Speeches Of John Smith:

Guiding Light John Smith, 2000 The sudden death of John Smith in the spring of 1994 stunned the world of politics This collection of speeches compiled with the full co operation of John Smith s widow serves as a lasting remembrance of a politician much admired and loved on both sides of the House *John Smith* Kevin Hickson, 2024-05-30 The death of John Smith on 12th May 1994 was one of those events which sticks in the memory He was cut down at the moment that it looked as if he was set to become the next Prime Minister after a long political career and after successive electoral defeats for his party This book published to mark the thirtieth anniversary of his death offers a comprehensive assessment of his leadership of the Labour Party with chapters written by academic experts on their chosen fields and by those who knew him as advisers MPs and journalists There are two themes running through the book The first seeks to examine the extent to which there was a John Smith effect in terms of politics and policy and assess whether he succeeded in establishing his own agenda or simply followed that of his predecessor The second examines the extent to which Smith was a representative of Old Labour or New Labour **The modernisation of the Labour Party, 1979-97** Christopher Massey, 2020-07-06 This monograph recasts the modernisation of the Labour Party and sheds new light on Labour s years in the wilderness between 1979 and 1997 The monograph uniquely traces the party s major organisational changes across its eighteen years of opposition Labour s organisational modernisation in this period fundamentally altered the party s internal structures policy making pathways and constitution The study begins with an investigation into the scene inherited by Labour s leadership in the early 1980s and examines Neil Kinnock s quest for a stable majority on the party s ruling National Executive Committee between 1983 and 1987 From this position the monograph surveys the major organisational changes of the Labour Party in their period of opposition the Policy Review 1987 92 One Member One Vote 1992 94 Clause IV 1995 96 and Partnership in Power 1996 97 Through a re examination of Labour s modernisation in the light of new source material and extensive primary interviews this research significantly contributes to the understanding of the rise of New Labour **Great Scottish Speeches** David Torrance, 2020-04-24 Some Great Scottish Speeches were the result of years of contemplation Some flourished in heat of the moment Whatever the background of the ideas expressed the speeches not only provide a snapshot of their time but express views that still resonate in Scotland today whether you agree with the sentiments or not Encompassing speeches made by Scots or in Scotland this carefully selected collection reveals the character of a nation Themes of religion independence and socialism cross paths with sporting encouragement Irish Home Rule and Miss Jean Brodie Ranging from the legendary speech of the Caledonian chief Calgacus in 83AD right up to Alex Salmond s election victory in 2007 these are the speeches that created modern Scotland **IBSS** Compiled by the British Library of Political and Economic Science, 2001 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Labour orators from Bevan to Miliband*

Andrew S. Roe-Crines, Richard Hayton, 2016-05-16 How do leading Labour figures strive to communicate with and influence the electorate Why have some proven more successful than others in advancing their ideological arguments How do orators seek to connect with different audiences in different settings such as parliament party conference and through the media This thoroughly researched and highly readable collection comprehensively evaluates these questions as well as providing an extensive interrogation of the political and intellectual significance of oratory and rhetoric in the post war Labour Party This collection evaluates the oratory and rhetoric of twelve leading figures from Labour politics Aneurin Bevan Hugh Gaitskell Harold Wilson Barbara Castle James Callaghan Michael Foot Tony Benn Neil Kinnock John Smith Tony Blair Gordon Brown and Ed Miliband Each chapter explores how its subject attempted to use oratory to advance their agenda within the party and beyond Students of British politics Labour history and communication studies will find this volume essential reading

British Labour Leaders Charles Clarke, Toby S. James, 2025-07-10 As the party that championed trade union rights the creation of the NHS and the establishment of a national minimum wage Labour has played a crucial role in the shaping of British society And yet the leaders who have stood at its helm from Keir Hardie to Sir Keir Starmer via Clement Attlee Tony Blair and Jeremy Corbyn have steered the party vessel with enormously varying degrees of success The requirements techniques and goals of the Labour leadership since the party's inception at the turn of the twentieth century have been forced to evolve almost beyond recognition and not all its leaders have managed to keep up This comprehensive and enlightening book now fully updated with chapters on all Labour leaders up to Keir Starmer and an assessment of the party's leadership in relation to Brexit considers the attributes and achievements of each leader in the context of their respective time and diplomatic landscape Offering a compelling analytical framework by which they may be judged it also provides detailed personal biographies from some of the country's foremost political critics and exclusive interviews with former leaders themselves An indispensable contribution to the study of party leadership British Labour Leaders is the essential guide to understanding British political history and governance

Futures of Socialism Colm Murphy, 2023-06-08 Overhauls the history of modernisation and the British Left and recasts our understanding of New Labour

Britain, Europe and National Identity J. Gibbins, 2014-10-05 This study patterns national identity over a number of important historical milestones and brings the debates over Europe up to date with an analysis of recent happenings including the referendum on Scottish independence the global economic crisis and the current crisis in Syria
